TOWN CLERK'S REPORT

Town Meeting, Monday, March 6, 1950

Agreeable to a warrant signed by the Selectmen, February 21, 1950, and in accordance with the By-Laws of the Town, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall in said Town on Monday, March 6, 1950, at six o'clock in the forenoon.

The meeting was called to order by Moderator Charles Gibbons and the warrant read.

The tellers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks — Republicans: Richard A. Roberts, Sumner E. Barnstead; Democrats: Alfred T. Peacock, Andrew V. McDonnell.

Tellers — Republicans: Ralph L. Hobbs, Elsie L. deGruchy, Edith M. Cook, Alice R. Worthen, Violet LeBrun; Democrats: Peter P. Meehan, Alice C. Walsh, Arline E. Cogan, Annie E. Dolan, Mary I. Roach.

The ballots were given to the ballot clerks, a receipt taken from them for the same, the ballot boxes were opened and examined, the registers set at 0, locked, the keys given to the Moderator, after which the polls were declared open.

The Moderator appointed as additional tellers to canvass and count ballots the following, who were sworn by the Town Clerk: Republican: Rena L. Wandless, Charles E. Chesley, Albert F. Orne, Roland J. McClellan, Alice I. Pray, Elsie B. Clark, Dorothy D. Robinson, Lillian R. Gorham, Florence R. Ford, Annie S. Kinsley, Mildred C. Tufts, Aldina A. Shurtleff, Thelma L. Coles, Ethel L. Piper, Frances L. Arnold, Ruth A. Frazier, Leona Chambers, Edith M. Hume, Sumner L. Hunt, Margaret J. Alward, Katherine E. Sprott; Democrats: Veronica E. Donahue, Catherine H. Salvage, Rose R. Masse, Mary B. Fougere, Marie A. Leonard, Rose M. Merrill, Helen M. Barry, Eva H. Maguire, Catherine W. Ahern, Annie E. Breagy, Helen C. McCarthy, Anna H. Bosch, Mary E. Ahern, Gertrude A. Hurley, Roy K. Wentworth, Mary E. Bates, Lillian M. Rafferty, John P. Kelly, Mary A. K. Hamill.

By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened at two o'clock in the afternoon and ballots taken therefrom for the purpose of counting.

The tellers appointed to canvass and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1,933 and ballot box No. 2 registered 2,053, as ascertained by the Town Clerk. The check lists at the gates had the names of 3,986 persons as having received ballots. The check lists at the ballot boxes had the names of 3,986 persons as having voted. The number of unused ballots returned to the Town Clerk was 2,114.

	$10,000.00

Article 7. Voted, That the sum of $539.88 be raised and appropriated to pay unpaid bills incurred during 1949 for the following specific purposes: Town Hall Drainage, $300.00; Shade Tree Expense, $59.38; Vital Statistics, $180.00. Unanimous.

Article 8. Voted: That the Town Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1950, and to issue a note or notes therefor, payable within one (1) year, and to renew any note or notes as may be given for the period of less than one (1) year in accordance with Section 17, Chapter 44 of the General Laws. Unanimous.

Voted: That Article 44 be considered forthwith.

Under Article 44 it was moved and seconded that the Town appropriate the sum of $1,400,000.00 for the purpose of constructing and originally equipping a new High School on a parcel of land containing thirteen (13) acres, more or less, bounded and described as follows: Beginning at a point on the easterly side of Oak Street at land now or formerly of Kendrick, thence the line runs northerly on Oak Street along land of Syak a distance of 463 feet, more or less, thence the line turns and runs easterly

along land of Gibbons a distance of 400 feet, more or less, thence the line turns and runs northerly along land of Gibbons a distance of 426 feet, more or less, thence the line turns and runs easterly along land now or formerly of Butler a distance of 238.92 feet, more or less, thence the line turns and runs southerly along land now or formerly of McGrady a distance of 134 feet, more or less, thence the line turns and runs easterly along land now or formerly of McGrady a distance of 120 feet, more or less, thence the line turns and runs southerly along land of Gibbons a distance of 28.34 feet, thence the line continues in a southerly direction along land now or formerly of Talbot a distance of 120.81 feet, more or less, thence the line turns and runs easterly along land now of formerly of Talbot a distance of 163.76 feet, more or less, thence the line turns and runs southerly along land of Syak a distance of 525 feet, more or less, thence the line continues in a southerly direction along land of Syak or Gigante a distance of 140 feet, more or less, thence the line continues in a southerly direction across Richardson Lane, so-called, a distance of 68 feet, more or less, to land now or formerly of Lynde, thence the line turns and runs northwesterly along land now or formerly of Lynde 274.6 feet, more or less, thence the line turns and runs southerly along land now or formerly of Lynde a distance of 87.87 feet, more or less, thence the line turns and runs westerly along land now or formerly of Sternfield a distance of 128.83 feet, more or less, thence the line turns and runs northerly along land now or formerly of Kendrick a distance of 80 feet, more or less, thence the line turns and runs westerly along land now or formerly of Kendrick a distance of 300 feet, more or less, to the point of beginning, said appropriation to be raised as follows: By transfer from the Excess and Deficiency Account the sum of $5,000.00, and the Town Accountant is hereby instructed to make such transfer on the books of the Town, and that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow $1,395,000.00, issue bonds or notes of the Town therefor, payable in accordance with provisions of law to be enacted by the General Court, that a committee of five citizens, one of whom shall be a member of the School Committe, be appointed by the Moderator, said committee to be known as the High School Building Committee, that the said committee be authorized to submit plans to the School Building Assistance Commission of the Commonwealth of Massachusetts, as provided in Chapter 645, Acts of 1948, request approval and assistance of the said commission, and that the High School Building Committee be further authorized to proceed with the construction and originally equipping the High School and enter into all necessary and proper contracts and agreements therefor. This motion was not adopted.

It was moved and seconded that the subject matter of this article (Article 44) be received as a report of progress, that the subject matter be referred back to the High School Site and Plans Committee for further study and that the said committee report at a later Town Meeting.

It was moved and seconded that the motion be amended by striking out the word "later" and inserting in place thereof the word "annual". This motion to amend was adopted.

It was moved and seconded that the motion be further amended by adding the following at the end "and that the membership of the committee shall be increased to nine (9), the four additional members to be appointed by the Moderator." This motion to amend was adopted.

Article 44. Voted: That the subject matter of this article be received as a report of progress, that the subject matter be referred back to the High School Site and Plans Committee for further study and that the said committee report at the annual Town Meeting, and that the membership of the committee shall be increased to nine (9), the four additional members to be appointed by the Moderator.

Voted: That Article 43 be considered forthwith.

Under Article 43 it was moved and seconded that the subject matter of this article be received as a report of progress, that the subject matter be referred back to the High School Site and Plans Committee for further study and that the committee report at a later Town Meeting.

It was moved and seconded that the motion be amended by striking out the word "later" and inserting in place thereof the word "annual". This motion to amend was adopted.

Article 43. Voted: That the subject matter of this article be received as a report of progress, that the subject matter be referred back to the High School Site and Plans Committee for further study, and that the committee report at the annual Town Meeting.

Article 9. Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1951, and to issue a note or notes therefor, payable within one (1) year, and to renew any note or notes as may be given for the period of less than one (1) year in accordance with Section 17, Chapter 44 of the General Laws. Unanimous.

Article 10. Voted: That the Town pay the rent of quarters or lease quarters for the use of Leon E. Warren Camp, U. S. W. V., Stoneham Post American Legion, and Sgt. George J. Hall Post, V. F. W., any expense to come from the appropriation made for said purpose under Article 6 of this warrant.

Article 11. Voted: That the Town authorize the Board of Health to enter into a contract for the term of not more than one (1) year for the removal and disposal of garbage.

Article 12. Voted: That for the purpose of constructing storm sewers or drains within the limits of the Town as occasion requires, there be appropriated the sum of $25,000.00 by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. (See later action).

Article 13. Voted: That the subject matter of this article be indefinitely postponed.

It was moved and seconded that item 10, under Article 6 Protection of Persons and Property, namely, Fire Department Expense, be reconsidered forthwith. This motion was not adopted.

Article 14. Voted: That the subject matter of this article be indefinitely postponed.

Article 15. Voted: That the subject matter of this article be indefinitely postponed.

Article 16. Voted: That the subject matter of this article be indefinitely postponed.

Article 17. Voted: That the subject matter of this article be indefinitely postponed.

Article 18. Voted: That the subject matter of this article be indefinitely postponed.

Article 19. Voted: That the subject matter of this article be indefinitely postponed.

Article 20. Voted: That the subject matter of this article be indefinitely postponed.

Article 21. Voted: That the subject matter of this article be indefinitely postponed.

Article 22. Voted: That the subject matter of this article be indefinitely postponed.

Article 23. Voted: That the subject matter of this article be indefinitely postponed.

Voted: That Article 68 be considered forthwith.

Article 68. Voted: That the subject matter of this article be referred to the Finance and Advisory Board for further consideration, study and report at the 1951 annual Town Meeting.

Voted to adjourn to Monday, March 20, 1950, at 7.30 o'clock in the evening at Town Hall.

All the foregoing truly entered, Attest:

WINTHROP A. McCARTHY, Town Clerk.

Adjourned Town Meeting, March 20, 1950

Agreeable to the warrant signed by the Selectmen on February 21, 1950, and in accordance with the vote of adjournment passed at the adjourned annual Town Meeting held Monday, March 13, 1950, and in accordance with the By-Laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on Monday, March 20, 1950, at 7.30 o'clock in the evening.

The check lists showed five hundred eighty-five (585) voters attended the meeting.

The meeting was called to order at 7.30 P.M. by the Moderator.

Voted: That the meeting refer back to Article 3 of this warrant.

Voted: That the Committee on the Re-organization of Town Government, appointed in the years 1947, 1948 and 1949 be and hereby is discharged and that all the power and duties of the said committee be and are hereby transferred to the Board of Selectmen who shall be empowered by vote of this meeting to transact any necessary business and carry out any vote or votes adopted by the Town for the purposes of any re-organization of Town Government pertaining to the Town Manager form of government. Yes, 253; No, 236.

It was moved and seconded that the following resolution be adopted. Whereas, the voters of the Town of Stoneham at Town Meeting assembled on March 13, 1950, under Article 44 of the warrant for the annual Town Meeting of 1950 authorized the appointment of a committee of nine (9) citizens as a High School Site and Plans Committee to report at the next annual Town Meeting and Whereas, the voters and taxpayers of the Town of Stoneham are vitally interested in any proposed construction or addition to school buildings within the Town, therefore, Be It Resolved that a committee composed of the following nine (9) citizens, namely, Charles Farrow, George Bird, Albert Bowman, Simon Zaltman, Wilbur Avery, Joseph Mahoney, George A. Roach, Albert P. Rounds and Nelson E. Bragg be authorized and directed by reason of the adoption of this resolution to investigate and report at the next annual Town Meeting on the advisability of remodeling and/or proposed addition, if necessary, to the present Junior-Senior High School of the Town of Stoneham. This resolution failed of adoption.

Article 24. Voted: That the subject matter of this article be indefinitely postponed.

Article 25. Voted: That the subject matter of this article be indefinitely postponed.

Voted: That Article 12 of this warrant be reconsidered.

Article 12. Voted: That the subject matter of this article be indefinitely postponed.

Voted: That Article 14 of this warrant be reconsidered.

Article 14. Voted: That the Town appropriate the sum of $2,160.00 for the purpose of constructing a covered drain a distance of 135 feet, more or less, westerly from the existing drain in Avalon Road, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town.

Voted: That Article 18 of this warrant be reconsidered.

It was moved and seconded that the Town appropriate the sum of $17,000.00 for the purpose of extending the storm drain from Pomeworth Street to Pleasant Street, a distance of 650 feet, more or less, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfers on the books of the Town. This motion failed of adoption. Yes, 118; No, 231.

Voted: That Article 21 of this warrant be reconsidered. Yes, 349; No, 21.

Article 21. Voted: That the Town appropriate the sum of $800.00 for the purpose of piping the brook between property of Meegan and Rotondi, north of Franklin Street, from the culvert on the northerly side of Franklin Street a distance of 150 feet, more or less, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town.

Article 26. Voted: That the sum of $18,575.31 be appropriated for the laying and relaying of water mains within the

limits of the Town, said sum to be raised by transfer from the unexpended balance of the Atlantic Gelatin Water Construction Account and that the Town Accountant be and hereby is authorized to transfer the said unexpended balance to the Town Water Construction Account.

Article 27. Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to issue and sell, from time to time, as occasion requires, Town notes, bonds or other evidence of indebtedness for the purpose of defraying the cost of extending water mains or relaying water mains within the limits of the Town to an amount not exceeding twenty thousand ($20,000.00) dollars, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 28. Voted: That the sum of twenty thousand ($20,000.00) dollars be appropriated from the proceeds of the water loan authorized under the previous article for the laying and relaying of water mains within the limits of the Town.

Article 29. Voted: That the Town accept as a public town way Seward Road, so-called, northerly from Sherman Road to Broadway, a distance of seven hundred (700) feet, more or less, as laid out by the Board of Survey.

Article 30. Voted: That the Town appropriate the sum of six thousand six hundred fifty ($6,650.00) dollars to pave Seward Road, a distance of seven hundred (700) feet, more or less, northerly from Sherman Road to Broadway, under the laws relating to the assessment of betterments, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 31. Voted: That the Town authorize such maintenance work as is necessary on highways which have been constructed with state and county aid under provisions of Chapter 90 of the General Laws, and that the sum of twenty-four hundred ($2,400.00) dollars be appropriated therefor, said sum to be raised by transfer from the Excess and Deficiency Account, that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town, and any receipts from the state or county, or both, shall be placed in the Excess and Deficiency Account.

Article 32. Voted: That the Town appropriate the sum of five thousand ($5,000.00) dollars for the improvement of William Street, said sum to be raised by transfer from the Excess and Deficiency Account and to be used in conjunction with any money which may be allotted by the state or county, or both, under the provisions of Chapter 90, General Laws, for the purpose and that the Town Accountant be and hereby is authorized to make the necessary transfers on the books of the Town.

Article 33. Voted: That the subject matter of this article be indefinitely postponed.

Article 34. Voted: That the subject matter of this article be indefinitely postponed.

Article 35. Voted: That the Town appropriate the sum of thirty-four hundred ($3,400.00) dollars to replace the present

two-way Police Department radio system, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town, the said radio system to be purchased by a committee of three (3) to be appointed by the Moderator, the said committee also having authority to sell or otherwise dispose of the radio system now in use.

Article 36. Voted: That the Town purchase a motorcycle with radio, for the Police Department and that the sum of twelve hundred ($1,200.00) dollars be appropriated therefor, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town, said motorcycle and radio to be purchased by a committee of three (3) to be appointed by the Moderator, the said committee also having the authority to sell or otherwise dispose of the present motorcycle now in service.

Article 37. Voted: That the Town purchase a cruising automobile for the Police Department and that the sum of fifteen hundred ($1,500.00) dollars be appropriated therefor, said sum to be raised by transfer from the Excess and Deficiency Account, that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town, said cruising automobile to be purchased by a committee of three (3) to be appointed by the Moderator, the said committee also having authority to sell or otherwise dispose of one (1) cruising automobile now in service.

Article 38. Voted: That the Town appropriate the sum of five hundred ($500.00) dollars for the purpose of reconstructing the granolithic driveway to the office entrance of the Police Station and enlarging the ramp area of the Police Station garage, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town.

Article 39. Voted: That the subject matter of this article be indefinitely postponed.

Article 40. Voted: That the subject matter of this article be indefinitely postponed.

Article 41. Voted: That the subject matter of this article be indefinitely postponed. Yes, 302; No, 84.

Voted: That a committee consisting of seven (7) members be appointed; two by the Moderator and five by the Board of Selectmen, said committee shall be empowered to make a careful study of matters pertaining to traffic and traffic control, parking and parking facilities, licensed stands on public highways and passenger transportation within the Town of Stoneham, said committee shall cooperate with all of the various Town Departments and submit recommendations to the Board of Selectmen, and report fully its activities and recommendations at the next annual Town meeting.

Article 42. Voted: That the subject matter of this article be indefinitely postponed.

Article 45. Voted: That the Town authorize the Moderator to appoint a committee of five (5) citizens, one of whom shall be

a member of the School Committee, to investigate and recommend at the next annual Town Meeting a site for the erection of an elementary school in the easterly section of the Town near Perkins Street.

Article 46. Voted: That the Town appropriate the sum of two thousand two hundred ($2,200.00) dollars for the purpose of grading and resurfacing a portion of the North School grounds to provide a suitable, level play area and constructing a driveway from Collincote Street a distance of one hundred fifty (150) feet, more or less, northerly to the school, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town.

Article 47. Voted: That the Town appropriate the sum of three thousand one hundred and fifty ($3,150.00) dollars for the purpose of constructing a driveway from Beacon Street to the East School, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the transfer on the books of the Town.

Finnegan, said sum to be raised by transfer from the Excess and Deficiency Account and that the Town Accountant be and hereby is authorized to make the necessary transfer on the books of the Town, said sum to be expended under the supervision of the Park Commissioners.

Voted: To adjourn to Monday, March 22, 1950, at 7.30 o'clock in the evening at Town Hall.

All the foregoing truly entered, Attest:

WINTHROP A. McCARTHY, Town Clerk.

Adjourned Town Meeting, March 22, 1950

Agreeable to the warrant signed by the Selectmen on February 21, 1950, and in accordance with the vote of adjournment passed at the adjourned annual Town Meeting held Monday, March 20, 1950, and in accordance with the By-Laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on Wednesday, March 22, 1950, at 7.30 o'clock in the evening.

Tellers appointed to check the names of those entering the hall were as follows: Republicans, Richard A. Roberts, Edith M. Cook, Violet LeBrun; Democrats, Peter P. Meehan, Mary I. Roach, Alice C. Walsh.

The check lists showed one thousand one hundred and ninety-five (1195) voters attended the meeting.

The meeting was called to order at 7.30 P.M. by the Moderator.

It was moved and seconded that the following resolution be adopted: Whereas the Building and Site Committee on the proposed new high school has already spent $6,800 of the Town's money on a worthless set of plans, and whereas the continuance of this Committee will only add to further expense to the taxpay-

ers, be it resolved that the voters in Town Meeting assembled tonight request their resignation. This resolution was adopted.

Article 63. It was moved and seconded that the subject matter of this article be indefinitely postponed. The motion failed of adoption.

Voted: That the Town amend Section 12A of Article 1 of the Zoning By-Law of the Town of Stoneham, Main Street Setback Area, by striking out the following: "On the westerly side of Main Street between Marble Street on the south and North Street on the north, and on the easterly side of Main Street between Summer Street on the south and North Street on the north" and substituting in place thereof the following: "On the westerly side of Main Street between Marble Street and Maple Street and between Hersam Street and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North Street. Unanimous.

Article 64. Voted: That the subject matter of this article be indefinitely postponed.

Article 65. It was moved and seconded that this article be indefinitely postponed. This motion failed of adoption.

Voted: That the Town amend the Zoning By-Law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District, the area adjacent thereto and bounded as follows: "Westerly by Main Street, 50 feet from the northerly boundary of the present Retail Business District, northerly by land now or formerly of Buckley 100 feet easterly by land now or formerly of Murphy 50 feet, and southerly by land now or formerly of Socony-Vacuum Oil Co., Inc., and Locke 100 feet. Unanimous.

Article 66. Voted: That the Town authorize the Moderator to appoint a committee to dispose of any or all obsolete materials and equipment of Town Departments now on hand.

It was moved and seconded that the following resolution be adopted: Resolved, that a school house committee be appointed consisting of nine (9) members, five (5) to be appointed by the Moderator and four (4) to be appointed by the Selectmen, and the said committee shall have for its sole purpose a survey of the present Senior-Junior High School and the said committee shall report back at the next annual Town Meeting on its findings and approximate costs. This resolution was adopted.

Article 67. That the Town raise and appropriate the sum of fifteen hundred ($1,500.00) dollars for the purpose of decorating certain streets within the Town during the Christmas season of 1950, said sum to be expended under the supervision of a committee of five (5) to be appointed by the Moderator in cooperation with the Stoneham Chamber of Commerce.

Article 69. It was moved and seconded that the Town vote to amend Article II, Section 3A, of the revised Zoning By-Laws by striking out the following: "Thereafter, as the term of any member expires, or his office becomes vacant for any cause, his successor shall be nominated and appointed in the same way in which such office was originally filled and for the term of three years," and that there be inserted therein the following: "Thereafter, as the term of any member expires, or his office becomes

vacant for any cause, his successor shall be nominated in the same way in which such office was originally filled and for the term of five years." This motion failed of adoption.

Article 70. Voted: That the subject matter of this article be indefinitely postponed.

Article 71. Voted: That the subject matter of this article be indefinitely postponed.

Voted: To adjourn.

All the foregoing truly entered, attest:

WINTHROP A. McCARTHY, Town Clerk.

Warrant for State Primary

Attorney General for this Commonwealth.

Representative in Congress for the 8th Congressional District.

Councillor for the 6th Councillor District.

Senator for the 7th Senatorial District.

Three (3) Representatives in the General Court for the 22nd Middlesex Representative District.

District Attorney for the Northern Middlesex District.

County Commissioner for Middlesex County.

Sheriff for Middlesex County.

The polls will be open from 12 Noon to 8 P.M.

Hereof fail not and make due return of this warrant with your doings thereon at the time and place of meeting as aforesaid.

Given under our hands this fifth day of September, A.D. 1950.

FRED A. SCHNEIDER,
JOHN E. FINNEGAN,
EDWIN H. LOMBARD,
PHILIP D. BURNHAM,
Selectmen of Stoneham.

I hereby certify that inhabitants of the Town of Stoneham qualified to vote in elections were notified and warned of the within meeting by posting true copies of the within warrant in the following public places: Town Hall, Unitarian Church, Methodist Church, Congregational Church, Public Works Dept. building, American Legion Hall, New England Sanitarium and Hospital, Lindenwood Station, B. & M. R. R., Pleasant St. Station, B. & M. R. R., Farm Hill Station, B. & M. R. R., and Stoneham Station, B. & M. R. R., on Monday, September 11, 1950, and that a true

copy of the within warrant was published in the Stoneham Press and the Stoneham Independent on Thursday, September 7, 1950.

GEORGE J. McDONOUGH, Police Officer, Town of Stoneham.

State Primary, September 19, 1950

Agreeable to a warrant signed by the Selectmen September 5, 1950, the inhabitants of the Town of Stoneham qualified to vote in primaries met in Town Hall in said Town, Tuesday, September 19, 1950, at 12 o'clock noon.

The meeting was called to order by Fred A. Schneider, Chairman of the Board of Selectmen, and the warrant read.

Officers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks: Republican, Richard A. Roberts, Sumner E. Barnstead, Ralph L. Hobbs, Elsie L. deGruchy, Edith M. Cook, Violet LeBrun, Alice R. Worthen; Democrats, Andrew V. McDonnell, Peter P. Meehan, Alice C. Walsh, Arline E. Cogan, Mary E. Willett, Mary I. Roach.

Canvassers and Counters: Republican, Charles E. Chesley, Albert F. Orne, Elsie B. Clark, Ethel L. Piper, Lillian R. Gorham, Mildred C. Tufts, Aldina A. Shurtleff, Margaret J. Alward, Ethel Buck, Evelyn Friery; Democrats: Roy K. Wentworth, John P. Kelly, Veronica E. Donahue, Catherine H. Salvage, Mary B. Fougere, Rose R. Masse, Rose M. Merrill, Helen McCarthy, Marie A. Leonard, Eva M. Maguire.

Two boxes said to contain 6500 Republican official ballots and 2000 Democratic official ballots were delivered to the ballot clerks who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the Chairman. The polls were declared open at 12 o'clock noon to receive ballots.

At 8 o'clock in the evening the polls were declared closed, at which time ballot box No. 1 registered 788, and ballot box No. 2 registered 710, as ascertained by the Town Clerk. The check lists at the gates had the names of 1498 voters checked as having received ballots, of which 1259 were Republican anl 239 were Democratic ballots. The number of ballots taken from the ballot boxes, as counted by the Chairman, was 1498, of which 1259 were Republican and 239 were Democratic ballots. The number of unused ballots returned to the Town Clerk was 7002 of which 5241 were Republican and 1761 were Democratic ballots.

All the Republican ballots cast having been sorted and counted, the tally sheets signed by the canvassers and counted, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

WINTHROP A. McCARTHY, Town Clerk.

Warrant for Biennial State Election

Middlesex, ss.

To John Clarence Nelson or either of the Constables of the Town of Stoneham, in the County of Middlesex. GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs to meet in the Town Hall, in said Town on Tuesday, the Seventh Day of November, A. D. 1950, at six o'clock in the forenoon, it being the first Tuesday after the first Monday in said month, to bring in their ballots to the Selectmen for Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney General, Representative in Congress, Eighth Congressional District; Councillor, Sixth District; Senator, Seventh Middlesex District; three Representatives, Twenty-Second Middlesex District; District Attorney, Northern

District; County Commissioner, Sheriff, and the following questions:

Question No. 1. Do you approve the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 9, 1947, received 244 votes in the affirmative and 0 votes in the negative, and in a joint session of the two branches held June 8, 1949, received 242 votes in the affirmative and 7 in the negative?

Summary. This proposed amendment to the Constitution provides for the time when the respective terms of office of the governor, lieutenant-governor and councillors shall begin and the time when their respective terms shall end. It also makes provision relative to the succession to the office of governor elect before qualification for the office of governor; and it further makes provision relative to the succession to the office of governor in the event of the death of both the governor elect and the lieutenant-governor elect before qualification for their respective offices.

Question No. 2. Do you approve the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 4, 1948, received 154 votes in the affirmative and 44 in the negative, and in a joint session of the two branches held June 8, 1949, received 160 votes in the affirmative and 93 in the negative?

Summary. This proposed amendment to the Constitution provides for an increase in the number of signatures of qualified voters required upon an initiative petition or upon a referendum petition, and it further makes provision for changes in legislative procedures thereon with reference to dates upon, or within which, acts shall be done in the various stages necessary to be taken upon such petitions.

Question No. 3. Do you approve of a law summarized below on which the House of Representatives did not vote and on which the Senate did not vote?

Summary. This measure provides for minimum payments of seventy-five dollars per month, or eighty-five dollars per month if blind, as assistance to deserving aged persons who have reached the age of sixty-three years or over and are in need of relief and support.

Question No. 4. Do you approve of a law summarized below on which the House of Representatives did not vote and on which the Senate did not vote?

Summary. This measure provides for the creation of a Massachusetts commission for the purpose of conducting once every month a lottery drawing to raise additional funds by means of tickets sold to the public, within the Commonwealth, the net proceeds to be divided as follows: 50 per cent to the winners in prizes, 35 per cent for assistance to needy persons, 7½ per cent for assistance to needy blind persons, 7½ per cent for assistance to dependent children.

Question No. 5. Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 77 in the affirmative and 139 in the negative and in the Senate by a vote of 13 in the affirmative and 25 in the negative?

Summary. The proposed measure strikes out the first sentence of section 113B of Chapter 175 of the General Laws (Tercentenary Edition) as most recently amended by section 4 of chapter 459 of the acts of 1935, and inserts in place thereof a sentence which provides that the Commissioner of Insurance shall annually, on or before September fifteenth, after due hearing and investigation, fix and establish fair and reasonable classifications of risks and adequate, just, reasonable and non-discriminatory premium charges to be used and charged by insurance companies in connection with the issue or execution of motor vehicle liability policies or bonds, as defined in section 34A of chapter 90 of the General Laws, for the ensuing calendar year or any part thereof, but said classifications and premium charges shall be uniform throughout the Commonwealth and shall not be fixed or established according to districts or zones.

Question No. 6. (a) Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

(b) Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

Question No. 7. (a) Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

(b) Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

(c) Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so-called, not to drunk on the premises?

Question No. 8. (a) If a voter desires that this town shall declare by popular referendum that a shortage of rental housing accommodations exists which requires the continuance of federal rent control in this town after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of the Housing and Rent Act of 1950, he will vote "Yes" on said question.

(b) If he desires that federal rent control shall cease to be in effect in this town at the close of December thirty-first, nineteen hundred and fifty, he will vote "No" on said question. If a majority of the votes cast in any such city or town in answer to said question is in the affirmative, such city or town shall be deemed to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said act. If a majority of the votes cast in any such city or town in answer to said question is not in the affirmative, such city or town shall be deemed not to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty.

Shall a declaration be made by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental housing accommodations exists which requires the continuance of federal rent control in this town after December thirty-first, nineteen hundred and fifty and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said act?

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

And you are directed to serve this warrant by posting attested copies in at least ten (10) public places in the Town seven days at least before the time for holding said election and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three days before said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this seventeenth day of October in the year one thousand nine hundred and fifty, A. D.

FRED A. SCHNEIDER,
EDWIN H. LOMBARD,
PHILIP D. BURNHAM,
Selectmen of Stoneham.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on Friday, October 28, 1950, and by publishing duly attested copies of said warrant in The Stoneham Independent and The Stoneham Press on Thursday, October 26, 1950.

J. CLARENCE NELSON, Constable of Stoneham.

State Election, November 7, 1950

Agreeable to a warrant signed by the Selectmen October 17, 1950, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall in said Town, Tuesday, November 7, 1950, at six o'clock in the forenoon.

The meeting was called to order by Fred A. Schneider, Chairman of the Board of Selectmen, and the warrant read.

Election officers appointed by the Selectmen as required by law were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks: Republican, Richard A. Roberts, Sumner E. Barnstead, Ralph L. Hobbs, Elsie L deGruchy, Edith M. Cook, Violet LeBrun, Esther M. Dunbar; Democrats, Charles B. Sheridan, Peter P. Meehan, Roy K. Wentworth, Alice C. Walsh, Arline E. Cogan, Marie M. Burns, Mary I. Roach.

Canvassers and Counters: Republican, Rena L. Wandless, Charles E. Chesley, Albert F. Orne, Marion Bradley, Lillian R. Gorham, Elsie B. Clark, Ethel L. Piper, Mildred C. Tufts, Aldina A. Shurtleff, Margaret J. Alward, Ethel Buck, Thelma L. Coles, Helen W. Brown, Evelyn M. Friery, Bertha Moulton, Alice I. Pray, Florence R. Ford, Annie S. Kinsley, Frances L. Arnold, Ruth A. Frazier, Edith M. Hume, Dorcthy Taylor, Thelma Wood,

Louise Sanborn, Sumner L. Hunt; Democrats, John P. Kelly, Patrick F. Kenny, Mary E. Willett, Mary B. Fougere, Catherine H. Salvage, Veronica E. Donahue, Rose R. Masse, Rose M. Merrill, Marie E. Leonard, Eva M. Maguire, Veronica Bauer, Mary A. Allin, Helen McCarthy, Mary E. Gay, Carrie A. Dannahy, Catherine W. Ahern, Annie E. Breagy, Anna H. Bosch, Mary E. Ahern, Gertrude A. Hurley, Josephine Gallagher, Mary A. K. Hamill, Eric O. Williams, Joseph Flynn, Ann Crosby.

Two cases said to contain 7,850 official ballots were delivered to the ballot clerks, who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the Chairman, who then declared the polls open to receive ballots. By unanimous consent of the Selectmen and the Town Clerk, the ballot boxes were opened at nine o'clock in the forenoon and ballots taken therefrom for the purpose of counting.

At eight o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 2,738 and ballot box No. 2 registered 2,851 as ascertained by the Town Clerk. The check lists at the gates had the names of 5,589 voters checked as having received ballots. The check lists at the ballot boxes had the names of 5,589 voters as having voted. The number of ballots taken from the ballot boxes, as counted by the Chairman, was 5,589. The number of ballots returned to the Town Clerk was 2,261.

All the ballots cast having been counted, the blocks of ballots sealed, the tally sheets signed by the canvassers and counters, the total tally sheet signed in accordance with law, declaration of the same was made as follows:

Question No. 8

(a) If a voter desires that this town shall declare by popular referendum that a shortage of rental housing accommodations exists which requires the continuance of federal rent control in this town after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of the Housing and Rent Act of 1950, he will vote "YES" on said question. (b) If he desires that federal rent control shall cease to be in effect in this town at the close of December thirty-first, nineteen hundred and fifty, he will vote "NO" on said question. If a majority of the votes cast in any such city or town in answer to said question is in the affirmative, such city or town shall be deemed to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said act. If a majority of the votes cast in any such city or town in answer to said question is not in the affirmative, such city or town shall be deemed not to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty.

Shall a declaration be made by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental housing accommodations exists which requires the continuance of federal rent control in this town after December thirty-first, nineteen hundred and fifty and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said Act?

All requirements of the law having been complied with, the meeting was adjourned.

All the foregoing truly entered, attest:

WINTHROP A. McCARTHY, Town Clerk.

Warrant for Town Meeting, Monday, November 13, 1950

To John Clarence Nelson or Stanley D. Wood, Constables of the Town of Stoneham in the County of Middlesex. GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs to meet in Town Hall, Monday, November 13, 1950, at 8 o'clock in the evening to act on the following articles of this warrant:

Article 1. To see if the Town will vote to accept as a public town way, a portion of Magnolia Terrace, so-called, a distance of 525 feet, more or less, westerly from Oak Street, as laid out by the Board of Survey on April 24, 1950, or do anything in relation thereto. Elementary School Building Committee.

Article 2. To see if the Town will vote to appropriate a sum of money to pave only a portion of Magnolia Terrace, a distance of 525 feet, more or less, westerly from Oak Street, in accordance with the laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto. Elementary School Building Committee.

Article 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness, for the purpose of defraying the cost of extending or relaying water mains within the limits of the Town, or do anything in relation thereto. Board of Selectmen.

Article 4. To see if the Town will vote to appropriate sums of money for Water Department Maintenance Wages, Water Services Wages and Water Services Expense, said appropriations to be expended in conjunction with appropriations voted under Article 6 of the warrant for the annual meeting of the current year, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Supt. of Public Works.

Artcle 5. To see if the Town will vote to appropriate sums of money for Selectmens Expense, Disposal of Ashes and Rubbish Wages, Disposal of Ashes and Rubbish Expense, Snow and Ice Removal Expense, Road Machinery Maintenance Wages, Sewer Services Wages, Traffic Signals and Street Signs Wages, said appropriations to be expended in conjunction with appropriations voted under Article 6 of the warrant for the annual meeting of the current year, determine in what manner the said appropriations shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Board of Selectmen.

Article 6. To see if the Town will vote to appropriate a sum

of money to purchase and install one (1) two-way mobile radio unit in the Fire Chief's automobile, said unit to be operated in conjunction with the Police Department radio system, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Fire Chief.

Article 7. To see if the Town will vote to appropriate a sum of money to purchase and install in the Central Fire Station Office one (1) remote control radio unit, to be operated in conjunction with the Police Department radio system, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Fire Chief.

Article 8. To see if the Town will vote to appropriate a sum of money for Police Department Salaries and Police Department Expense, said appropriations to be expended in conjunction with appropriations voted under Article 6 of the warrant for the annual meeting of the current year, determine in what manner the said appropriations shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Police Captain.

Article 9. To see if the Town will vote to appropriate a sum of money for the removal and transplanting of ten (10) Japanese Yew trees in the memorial triangle at the intersection of Warren, Gerry and Winthrop Streets, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Park Commissioners.

Article 10. To see if the Town will vote to appropriate a sum of money to provide for the retirement allowance of Deputy Fire Chief Richard R. Ervin for the remainder of the calendar year, said retirement having become effective on October 5, 1950, in accordance with provisions of Chapter 32, General Laws, determine in what manner the said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Board of Selectmen.

Article 11. To see if the Town will vote to appropriate a sum of money for use of a committee to study and report on the costs of alterations, repairs, additions and/or remodeling the present Junior-Senior High School Building, determine in what manner the said appropriation shall be raised, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto. Junior-Senior School House Committee.

Article 12. To see if the Town will vote to appropriate a sum of money to defray the cost of printing and distributing a pamphlet containing Chapter 597, Acts of 1949, and Chapter 213, Acts of 1950, both of said acts relating to the Town Manager Act for Stoneham, determine in what manner said appropriation shall be raised, by transfer from available funds or otherwise, or do anything in relation thereto. Board of Selectmen.

Article 13. To see if the Town will vote to appropriate a sum of money to pay Drummey-Duffill, Inc., for engineering services rendered to the Town during the construction of Calthea Street and during the construction of water and sewer mains in Calthea Street, determine in what manner the said appropriation shall be raised, by transfer from available funds, borrowing, sale of notes,

bonds or otherwise, or do anything in relation thereto. Stoneham Housing Authority.

And you are directed to have five hundred (500) copies of this warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before the said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-fourth day of October in the year one thousand nine hundred and fifty, A. D.

FRED A. SCHNEIDER,
JOHN E. FINNEGAN,
EDWIN H. LOMBARD,
PHILIP D. BURNHAM,
Selectmen of Stoneham.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on Monday, November 6, 1950, and by publishing duly attested copies of said warrant in The Stoneham Independent and The Stoneham Press on Thursday, November 9, 1950.

STANLEY D. WOOD, Constable of Stoneham.

Special Town Meeting, November 13, 1950

Agreeable to a warrant signed by the Selectmen on October 24, 1950, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall in said Town on Monday, November 13, 1950, at eight o'clock in the evening.

The meeting was called to order by Moderator Charles Gibbons and the warrant read.

Officers appointed to check the names of voters entering the hall were as follows: Republicans, Richard A. Roberts, Violet LeBrun, Edith M. Cook; Democrats, Peter P. Meehan, Alice C. Walsh, Mary I. Roach.

The check lists showed 209 voters entered the hall.

Article 1. Voted: That the Town accept as a public town way, a portion of Magnolia Terrace, so-called, a distance of 525 feet, more or less, westerly from Oak Street, as laid out by the Board of Survey on April 24, 1950.

Article 2. Voted: That the Town appropriate the sum of $5,000.00 to pave only a portion of Magnolia Terrace, a distance of 525 feet, more or less, westerly from Oak Street, under the laws relating to the assessment of betterments, raise the said appropriation by transfer from the Excess and Deficiency Account, and the Town Accountant be and is hereby authorized to make such transfer on the books of the Town.

Article 3. Voted: That the Town authorize the Town Treas-

urer with the approval of the Selectmen, to issue and sell, from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness for the purpose of defraying the cost of extending water mains or relaying water mains within the limits of the Town to an amount not exceeding fifty thousand ($50,000.00) dollars, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 4. Voted: That the Town appropriate $750.00 for Water Maintenance Wages, $300.00 for Water Services Wages and $300.00 for Water Services Expense, raise the said appropriations by transfer the sum of $1,350.00 from Available Water Surplus, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 5. Voted: That the Town appropriate $300.00 for Selectmen's 7xpense, $2,500.00 for Disposal of Ashes and Rubbish Wages, $130.00 for Disposal of Ashes and Rubbish Expense, $2,000.00 for Snow and Ice Removal Expense, $500.00 for Road Machinery Maintenance Wages, $200.00 for Sewer Services Wages and $100.00 for Traffic Signals and Street Signs Wages, and that the sum of $5,730.00 be raised as follows: $2,600.00 by transfer from Interest on Town Debt, $2,000.00 by transfer from Chapter 90 Construction of Spring Street, and $1,130.00 by transfer from Street Lighting, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 6. Voted: That the Town appropriate $415.45 to purchase and install one (1) two-way mobile radio unit in the Fire Chief's automobile, said unit to be operated in conjunction with the Police Department radio system, raise the said appropriation by transfer from the unexpended balance of appropriation for Police Cruiser voted under Article 37 of the warrant for the annual Town Meeting of the current year, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 7. Voted: That the Town appropriate $235.00 to purchase and install in the Central Fire Station Office one remote control radio unit, said unit to be operated in conjunction with the Police Department radio system, raise the said appropriation by transfer from the unexpended balance of appropriation for Police Motorcycle voted under Article 36 of the warrant for the annual Town Meeting of the current year, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 8. Voted: That the town appropriate $1,007.50 for Police Department Salaries and $790.00 for Police Department Expense and that the sum of $1,797.50 be raised by transfer from the appropriation for Garbage Contract voted under Article 6 of the warrant for the annual Town Meeting of the current year, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 9. Voted: That the subject matter of this article be indefinitely postponed. Yes, 92; No, 87.

Article 10. Voted: That the Town appropriate $550.30 to provide for the retirement allowance of former Deputy Fire Chief Richard R. Ervin for the remainder of the calendar year, said re-

tirement having become effective on October 5, 1950, in accordance with provisions of Chapter 32 of the General Laws, raise the said appropriation by transfer from the appropriation for Street Lighting voted under Article 6 of the warrant for the annual Town Meeting of the current year, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 11. Voted: That the sum of $5,000.00 be appropriated for the purpose of completing the study and report including such necessary architectural plans, engineering services and other expenses in connection with alterations, repairs, additions and/or remodeling of the present Junior-Senior High School building said sum to be transferred from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town, and the said sum to be expended by the committee now making the survey and consisting of Charles E. Crosby, Harry R. Dockam, Charles Farrow, John Lilly, Audrey Houghton, Helen Fredrickson, Lawrence Scammon, True L. Barnett and George Ryan, and the said committee to report at the next annual Town Meeting.

Article 12. Voted: That the subject matter of this article be indefinitely postponed.

Article 13. Voted: That the Town appropriate $1,275.83 to pay Drummey-Duffill, Inc., for engineering services rendered to the Town during the construction of Calthea Street and during the construction of water and sewer mains in Calthea Street, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

All the requirements of law having been complied with the meeting was adjourned.

All the foregoing truly entered, attest:

WINTHROP A. McCARTHY, Town Clerk.

Zoning By-Law Amendment

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. April 25, 1950.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of the Town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 63 of the warrant for a Town Meeting of said Town duly called, warned and held on Monday, March 22, 1950, when said article was before said meeting:

Article 63. To see if the Town will vote to amend Section 12A of Article 1 of the Zoning By-law of the Town of Stoneham, Main Street Setback Area, by striking out the following: "On the westerly side of Main Street, between Marble Street on the south and North Street on the north and on the easterly side of Main Street between Summer Street on the south and North Street on the north" and substituting in place thereof the following: "On the westerly side of Main Street between Marble Street and Maple Street and between Hersam Street and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North

Street", or do anything in relation thereto. (Phyllis M. Trodella).

I further certify that acting under Article 63 the following vote was passed:

Voted: That the Town amend Section 12A of Article 1 of the Zoning By-law of the Town of Stoneham, Main Street Setback Area, by striking out the following: "On the westerly side of Main Street, between Marble Street on the south and North Street on the north and on the easterly side of Main Street between Summer Street on the south and North Street on the north" and substituting in place thereof the following: "On the westerly side of Main Street between Marble Street and Maple Street and between Hersam Street and North Street, and on the easterly side of Main Street between Summer Street and Hancock Street and between Pleasant Street and North Street. Unanimous.

A true copy from the records.

WINTHROP A. McCARTHY, Town Clerk of Stoneham.

I also certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

WINTHROP A. McCARTHY, Town Clerk of Stoneham.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. June 14, 1950.

Subscribed and sworn to before me this day.

WALTER G. LEAVITT, Notary Public.

My Commission Expires 9-19-1952.

Boston, Mass. July 10, 1950.

The foregoing amendment to zoning by-law is hereby approved.

FRANCIS E. KELLY, Attorney General.

Zoning By-Law Amendment

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. April 25, 1950.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of the Town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 65 of the warrant for a Town Meeting of said Town duly called, warned and held on Monday, March 22, 1950, when said article was before said meeting.

Article 65. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the area adjacent thereto and bounded as follows: Westerly by Main Street 50 feet from the northerly boundary of the present Retail Business District, northerly by land now or formerly of Buckley 100 feet, easterly by land now or formerly of Murphy 50 feet, and southerly by land now or formerly of Socony Vacuum Oil Company, Inc., and Locke 100 feet. (Wm. H. Buckley).

I further certify that acting under Article 65 the following vote was passed:

Voted: That the Town amend the Zoning By-Law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the area adjacent thereto and bounded as follows: West-

erly by Main Street 50 feet from the northerly boundary of the present Retail Business District, northerly by land now or formerly of Buckley 100 feet, easterly by land now or formerly of Murphy 50 feet, and southerly by land now or formerly of Socony Vacuum Oil Company, Inc., and Locke 100 feet. Unanimous.

A true copy from the records.

WINTHROP A. McCARTHY, Town Clerk of Stoneham.

I also certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

WINTHROP A. McCARTHY, Town Clerk of Stoneham.

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. June 14, 1950.

Subscribed and sworn to before me this day.

WALTER G. LEAVITT, Notary Public.

My Commission Expires 9-19-1952.

Boston, Mass. July 10, 1950.

The foregoing amendment to zoning by-law is hereby approved.

FRANCIS E. KELLY, Attorney General.

BOARD OF HEALTH REPORT

To the Citizens of Stoneham and to the Honorable Board of Selectmen:

Herewith is submitted the annual report of the Board of Health for the year ending December 31, 1950.

The board was organized with David P. Dutton, M. D., as chairman, Robert B. Cassidy, secretary, and Harold C. Hurd, Jr. The following appointments were made:

Mrs. Gertrude B. Mortensen, Clerk, (part time).

Stanley D. Wood, Health Officer, Milk Inspector and Slaughtering Inspector (part time).

Thomas P. Devlin, M. D., Board of Health Physician.

Seymour W. Russell, D.M.D., Board of Health Dentist.

Edith N. Hersam, R. N., Board of Health Nurse.

Lawrence E. Doucett, Milk Analyst.

In September, Seymour W. Russell, D.M.D., resigned the position of Board of Health Dentist and the board appointed Paul Fitzgerald, D.M.D., a recent graduate from Tufts Dental College, as Board of Health Dentist to fill the unexpired term.

On July 1, 1950, the garbage contract was awarded to Henry R. Mastromarino of Revere for the contract sum of $3,200. This is a savings of approximately $600 to the town over last year's contract.

The board members wish to express appreciation for work well done by the members of the Board of Health staff.

For further information please consult the following reports of our respective branches.

Respectfully submitted,
Stoneham Board of Health
DAVID P. DUTTON, M.D., Chairman
ROBERT B. CASSIDY, Secretary
HAROLD C. HURD, JR.

Communicable Diseases Report

The following cases have been reported:

	1946	1947	1948	1949	1950
Chicken Pox	64	24	82	214	22

Dental Clinic

The following report is for the period January through September, 1950:

Total number of patients	335
Total number of fillings	404
Total number of extractions	73
Total number of operations	1227
Total number completed	62
Total receipts	$50.14

Respectfully submitted,
SEYMOUR W. RUSSELL, D.M.D.
Board of Health Dentist

The following report is for the period October through December, 1950:

Total number of examinations	1505
Total number of patients	102
Total number of fillings	157
Total number of extractions	15
Total number of operations	193
Total number completed	21
Total receipts	$21.25

Respectfully submitted,
Board of Health Dentist
PAUL FITZGERALD, D.M.D.

Report of Health Officer for 1950

During this past year I have received and investigated 466 complaints of overflowing cesspools, crowing roosters, keeping of pigs, rabbits, etc., in restricted areas; odors from factories, brooks, drains, oil, etc., and have placarded 57 homes for scarlet fever.

The following routine inspections have been made:

Restaurants	14
Bakeries	3
Ice Cream Manufacturers	4
Drug Stores	5
Grocery and Variety Stores	27
Bottling Concerns	2
Nursery Schools	4
Scout Camps	2
Rest Homes, Home for Aged and the hospital	4

Boarding Homes for minor children 6
Gasoline Stations and Hardware Stores for
Methyl Alcohol Licenses 29

I have also inspected 45 cesspools and septic tanks, before and after being built.

In addition I have also made several inspections with state officials on other Board of Health matters.

Respectfully submitted,
STANLEY D. WOOD, Board of Health Officer.

Report of Milk Inspector for 1950

I have inspected our local dairies every month and have found them to be neat and clean, including one new milk plant, viz, Sunnyhurst Dairy, Inc.

Respectfully submitted,
STANLEY D. WOOD, Milk Inspector.

REPORT OF BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1950.

The Board organized on March 16 as follows:

Chairman, Thomas M. Hurley.
Secretary, Donald J. Morrison.
Clerk, Alton W. Estes.

At this meeting the Board voted to act as the Bureau of Old Age Assistance and organized as follows:

Chairman, Donald J. Morrison.
Secretary, Alton W. Estes.
Clerk, Thomas M. Hurley.

The following appointments were made at this meeting:

Agent, Public Welfare, Daniel Cullinane.
Supervisor of Old Age Assistance, Daniel Cullinane.
Superintendent of Infirmary, Klaus Dykstra.
Matron of Infirmary, Mary Dykstra.

Meetings of the Board of Public Welfare and Bureau of Old Age Assistance are held in Room 15 on the first and third Thursday of each month at which time the activities of the department are discussed and the policies of the department are determined.

The present personnel of the department consists of an Agent, two Social Workers and two Clerks. The Federal Government and the Commonwealth reimburse the Town for about 40% of expenditures for administration purposes.

The Town is also reimbursed about 85% of Old Age Relief and about 50% of Aid to Dependent Children Relief. All money received from Federal Government is used by the department directly and is used to decrease the amount requested from the Town in our annual budget.

Our applications for aid during the year for General Relief remained normal. We had very few cases on account of unemployment. Most of our applications resulted from the breakup of marital relations or sickness. We do not expect any change in this condition this year.

The Board has given the Infirmary much consideration during the year. We are now caring for eighteen inmates. The present Superintendent and Matron are doing a good job and the people under their supervision are well cared for. A more detailed report of the Infirmary will be found in the Superintendent's report.

The following schedules show the activity of the Outside Relief Department during the year.

Comparison of Home Relief Cases Aided 1949-1950

	1949		1950	
Month	Cases	Persons	Cases	Persons
January	22	54	20	56
February	23	70	23	72
March	25	78	21	57
April	25	69	22	58
May	27	71	20	47

November	20	68	24	60
December	25	76	25	63
	282	808	260	678

Analysis of All Cases Aided in 1950 Outside our Infirmary

	Dec. 1, '49 Cases Dec. 1, '49	July 1 Cases July 1	Dec. 1 Cases Dec. 1
Children Boarded	5	4	5
Supplement to Earnings	2	1	1
Unemployables	7	7	10
Deserted Families	2	5	8
Medical Care Only	3	0	0
State Hospital	1	1	0
Other Institutions	1	1	1
Employables	2	1	1
	23	20	26

Aid to Dependent Children

During the year we received 14 applications for aid under this category. Nine of these cases were approved for aid and five were denied as ineligible. We also closed eight cases. Therefore, our net increase was 1 case and a decrease of five children.

The Commonwealth and Federal Government reimburse the Town about 42% of Gross Relief Expenditures and also about 8% of Administration Expenses.

Eligibility regulations must be closely adhered to in order to get reimbursement from the Commonwealth and the Federal Government. The reimbursement formula in effect at present is $13.50 per month for dependent parent and also for first child and $9.00 for all other children plus $3.00 for all children from Federal Government. The Commonwealth reimburses us for 1/3 of total expense.

The following schedule shows the activity in this category and also the actual cost to the Town.

Analysis of Case Load

			Cases	Children
Cases Pending and Receiving Aid, Jan. 1, 1950			23	61
Cases Received During Year 1950			14	32
Total Cases For Year			37	93
Less:	Cases	Children		
Cases denied	5	11		
Cases closed	8	26	13	37
Cases Aided December 31, 1950			24	56

Financial Statement

Expenditures for Relief:		
Town Funds		$29,968.50
Federal Funds		8,488.32
		$38,456.82
Receipts During Year:		
Balance January 1, 1950	$967.18	
Federal Reimbursement	13,294.71	
State Reimbursement	8,258.54	
		22,520.43
Net Cost to Town		$15,936.39

HELEN STOCKWELL FUND

This fund was created by the late Helen Cowdrey Stockwell many years ago. The income from this fund can be used for hospitalization of any needy Stoneham resident who is not receiving aid through the Welfare Department.

The trust is administered by the Boston Safe Deposit and Trust Company. The Board of Public Welfare designates who is eligible for its benefits and approves the bills for payment.

Hospitalization must be in a Stoneham Hospital which at the present time means the New England Sanitarium and Hospital. This is by direction of her will.

The following schedules show the activity and financial condition of the fund at the end of the year.

Stockwell Fund

Balance on Hand January 1, 1950	$336.30
Credits During the Year	3,208.70
Available for Use	3,545.00
Expenditures	1,595.00
Balance, December 31, 1950	$1,950.00

Cases Aided by Fund

No. Cases	Cause of Hospitalization	Hospital Days	Cost
2	Maternity	19	$257.00
1	Pelvic Operation	11	88.00
1	Broken Hip	70	560.00
1	Tonsilectomy	1	8.00
1	Gall Stones	18	180.00
3	Surgery	21	180.00
1	Burns	14	112.00
1	Anemia	21	210.00
11		175	$1,595.00

We wish to thank the New England Sanitarium and Hospital,

Red Cross, Visiting Nurse, Town Departments and all others who have assisted this Department during the past year.

THOMAS M. HURLEY, Chairman,
DONALD J. MORRISON, Secretary,
ALTON W. ESTES, Clerk,
Board of Public Welfare.

REPORT OF OLD AGE ASSISTANCE

To the Board of Public Welfare:

Gentlemen: — We submit the twentieth annual report of the Bureau of Old Age Assistance. This report is for the year 1950.

On March 17, 1950, the Bureau met and organized as follows:

Chairman, Donald J. Morrison.
Secretary, Alton W. Estes.
Clerk, Thomas M. Hurley.

The Bureau has met during the year on the first and third Thursdays at which time applications and revisits were considered and acted upon, and any other business necessary for the carrying out of this program was transacted.

Visits to the home of the recipients are made every six months and oftener if necessary. Cases are reviewed and grants are changed to meet changes in living conditions or legal status.

This program is increasing each year. Our case load increased this year from 225 to 242 cases.

In October this year a generous increase in Social Security by 40 of our recipients reduced our monthly average cost per case by approximately $2.00 per case. The average cost per case in December this year was $61.77.

Nursing Home care and medical care in the home continues to be a financial problem to your Bureau.

In November this year an amendment was passed by the voters of the Commonwealth which, if found to be legal, will place a financial burden on the Town and on the Commonwealth.

This amendment would allow aliens and citizens reaching 63 years of age to become eligible to receive Old Age Assistance and establish a minimum grant of $75.00 per month. The Federal Government would not reimburse us for any case between 63 and 65 years of age. The legality of this amendment will probably have to be decided through court procedure.

INFIRMARY REPORT

To the Board of Public Welfare:

Gentlemen: — We hereby submit our annual report for the year 1950:

Number of patients cared for to December 31, 1950	28
Number of patients at present time	19
Number patient days	7670
Number of patients receiving medication	12

At the present time we have three bed patients, two of these are totally helpless, and require constant care, day and night. We also have several who cannot help in any way, or contribute to the running of the infirmary.

With the help of some of the patients, we were able to raise enough vegetables for our own use and to can fourteen hundred quarts of fruit and vegetables. We also raised fifty hens, seventy-five roosters, two hogs and two calves. These were consumed at the infirmary.

This fall we were forced to sell one of our cows, due to old age. We hope to replace her in the spring with a younger one. At present the stock consists of three cows, two calves, two hogs and fifty hens.

The buildings are in good shape with the exception of the front porch and steps. These are a wooden affair and have become rotted beyond repair. We wish to replace them with concrete steps and porch. In the near future we will also be forced to replace the kitchen sink (a black iron one) which is worn so thin in places that it has started to leak.

In behalf of the patients we wish to thank all who helped make Christmas a little brighter for them. Several organizations contributed ice cream, candy, tobacco and cigarettes. Also the carol singing and the visitations were greatly appreciated. We wish to thank the Board of Public Welfare for their interest and

co-operation, and again do we wish to thank our staff for their untiring efforts in helping accomplish our task.

This poem was written by one of our patients and we felt it worthy of publication.

THIS HOUSE

Love makes this house a shelter
And all who enter here,
Shall know this house is holy,
Its welcome is sincere.

Each panel, pane and picture,
Each chimney case and stair,
Was fashioned with thanksgiving,
And patterned after prayer.

So full this house of gladness
From roof to polished floor;
So fashioned with forgiveness,
That all who find its door;

Shall feel that certain presence
Of Christ who is the guest.
Love makes this house a shelter.
Who enters here is blest.

KLAUS DYKSTRA, Superintendent.
MARY DYKSTRA, Matron.

REPORT OF SCHOOL COMMITTEE

To the Citizens of Stoneham:

We are submitting to you the sixtieth annual report of your Superintendent of Public Schools to your School Committee. It is the first report submitted by Mr. Burdick, our new Superintendent. It is very complete and we recommend that all citizens study it thoroughly.

The new Robin Hood School has been substantially completed and was turned over for occupancy in September. By re-districting, we have relieved the overcrowded conditions in the other grade schools.

The housing condition at the High School is a serious problem. It is imperative that some relief be provided in the very near future. This committee has taken no stand on the relative merits of the different proposals for relief. Our only concern is that some substantial relief be provided at once.

Physical properties have been kept in good repair and inventories have been kept at normal.

We take this opportunity to again express our appreciation to the Superintendent and his staff for their support during the year.

Respectfully submitted,
EVERETT C. HUNT, Chairman.
HAZEL C. JOHNSON.
ELSIE F. MACKAY.
GEORGE E. MacNEIL, SR.
JOHN E. O'DOHERTY.

Report of Superintendent of Schools

To the School Committee of Stoneham, Massachusetts:

Ladies and Gentlemen: — I herewith submit my first annual report as Superintendent of Schools of Stoneham. It is the sixtieth in the series of such reports.

I wish to report the state or condition of your school system when I began my administration on August 1, 1950, and to give you a brief account of some of the major considerations which have received my attention during the past school year.

On many occasions, I have publicly acclaimed the efficiency and the organizing ability of my predecessor, Mr. Charles E. Varney. I have spent much time in studying the school system and in evaluating the curriculum and the teaching techniques of each teacher. On the whole, Stoneham schools are modern in their approach to educational policies but are not over progressive.

ELEMENTARY SCHOOLS

All of the elementary schools are up-to-date and possess much of the necessary equipment to carry on a sound program. Of course, the work of the grade supervisor has been carefully and quietly done. She has worked with teachers in improving the class work and in developing a program of elementary curricula. Committees have been working on many subjects such as social studies, manuscript writing, and arithmetic. Much stress has been placed on the growth and improvement of children.

Emphasis is placed on the needs of each individual pupil. We start with his present interests, knowledge, and skills, whether it be in the field of reading, arithmetic, or social studies. The program is enriched for the gifted child with opportunity for wider creative activities to challenge his potential abilities. For the less gifted, the curriculum is adjusted to his needs and capacity for learning.

In the field of reading, individual needs are met by grouping. Each class is divided into three or four groups and much thought is given in planning the instruction to meet group needs so that all may achieve up to their capacity for learning.

The elementary curricula in social studies and science afford ample opportunity to meet individual differences among the pupils. The activities are so varied that the special talents of individual pupils may find creative expression in many ways. If the pupil has a flair for art or manual activities, he is given a chance to express himself to the full in these media; or if his interests and skills lie in expressing ideas verbally or dramatically, opportunity is given for such creative expression.

The testing program, for many years, has furnished objective measurements of each child's growth, thereby facilitating an intelligent program of instruction. While full recognition is given to teachers' opinions of the progress pupils make in school, these judgments become more and more trustworthy to the extent that they are based on objective evidence. Standardized tests are to the educative process what instruments are to the aviator and engineer. They serve as guides in adopting the school program to the needs of the child.

Standardized tests help the teachers discover what progress a child is making from year to year and whether he is achieving up to what may reasonably be expected of him in terms of his apparent capacity and effort. Both types of evaluation are important in each child's life and program of education.

Individual guidance is made more effective by data filed in the pupil folders. These give a general picture of each child's ability and achievement in the elementary grades together with teacher observation of his strengths and weaknesses and any clinical information which may throw light on his needs.

Very early, elementary pupils participate in classroom activities. In many rooms under teacher guidance, the children plan and conduct their morning exercises. Committee helpers take care of lockers, blackboards, erasers, plants, delivery of milk, etc. Games are often organized by the children with democratically chosen leaders and rules established by the group for the games, thus engendering good sportsmanship and respect for pupil-chosen leaders.

The work in social studies included reading charts, product posters, scrapbooks, models and concrete objects, co-operative product maps, dioramas of life in the principal countries of South America, reports of an excursion taken by a primary class to the public library, and a class-made movie which summarized the study of The Farm. On display also were the various materials

and equipment for instruction in this field, such as films, filmstrips, flat maps and pictures, and beautifully illustrated texts and storybooks. Through the exhibit the pupils hoped to reveal to their parents the representative classroom activities in this very important field of learning.

Stoneham merchants very generously made their display windows available to the elementary schools for a week in May for the exhibit of work in the social studies. The windows revealed the ways in which reading, language, spelling and art are correlated with the social studies.

JUNIOR-SENIOR HIGH SCHOOL

In the Junior-Senior High School long-range planning is carried out each year. In surveying the program, it was a pleasure to find that there was a very efficient organization under the able leadership of Mr. William M. Nadeau, as principal. There has been every indication that he is ever ready to co-operate with the administration. The staff has shown much evidence of professional growth and a readiness to work for the best interests of the students.

During the past four months I have visited all of the schools. The principals and faculty have demonstrated the same spirit of professional development in the elementary schools as I noted in the junior-senior high school.

GUIDANCE

The Senior High School guidance program has paralleled the Junior High School. Much time has been devoted to these departments under the fine supervision of Miss Gertrude Johnson and Miss Parisha Piligian.

New pupils, entering our school for the first time, are given the Otis Intelligence Tests, Form CM, and in some cases the Monroe Reading Test. In this way, the proper placement can be made and the course of study will better meet the needs of everyone.

Throughout the year tests of individual analysis in reading were given and arrangements made with the home for special work in this field. In some cases a private remedial reading clinic was recommended.

Through the Boston University Testing Service, the entire eighth grade was given an educational battery of tests in February. From April through May conferences were held with each pupil to interpret his test data and to examine his past school achievement in order to make the best possible choice of courses for grade nine. Approximately 80% of the parents were called in for these conferences. The Boston University Testing Service provided a battery of vocational tests and data based on personal conferences with each pupil and at times with both parents and pupils. This helps to advise pupils in selecting proper curricula.

During each marking period, a warning card list was compiled for grades 7 through 12. This list showed at a glance those pupils who needed immediate counselling and adjustment in division and program in order to prevent failure.

In the same way, a report card list of failures was com-

piled for grades 7 through 12 and then was used in the same way as the warning card list.

Changes in division were made for successful achievement as shown by the report card, as well as for the pupils who were failures. Through the parents' conferences a better understanding and relationship was established between the home and school. With this co-operation, intelligent use was made of the test data on each pupil. Many of the parent conferences were scheduled for the evening hours so that both parents could be present.

During the counselling period in school, whenever possible, the pupil was encouraged to take an active part in the solution of his problem.

Conferences were also held with visitors of the state and city wards, the elementary supervisor, guidance clinics, and groups of subject teachers.

We were very fortunate this last year in having our guidance assemblies. The juniors and seniors heard some very fine speakers on schools, colleges, careers, and other occupations.

A series of radio programs over WEEI were sponsored by Mr. Roland Darling, vocational counselor of Northeastern University. During this period a question and answer period was conducted by experts. Students were able to attend these broadcasts and participate at the rehearsals. Guidance panels, under Mr. Darling, have brought to the high school experts in vocational guidance and specialists from various occupations and professions.

The guidance services included all kinds of information about colleges, occupations, scholarships, aptitude tests, brochures on colleges, appointments with schools and colleges, and placement.

Through the efforts of Mrs. Margaret G. Garvin all senior girls in the Business Course who desired it secured employment. Business people were contacted both in and out of Stoneham to find out where the best opportunities were.

In the main, the guidance departments have aimed to give service to all students who needed educational or vocational advice.

ENGLISH DEPARTMENT

The English Department was requested to submit a report from Miss Ruth Finn who is head of the department. This report gives some idea of the aims, organization, and work of the department.

Educational Aims

"School systems should help create a better society. In short, the purpose of education should be to equip men to live humanely in an enlightened world. Such a world would permit individual freedom tempered by social responsibility, nourish tolerance governed by moral judgment, and promote professional proficiency coupled with a deep sense of human ideals and values."

Specific Aims of English Studies

"Composition and speech should develop skills in speaking, writing, and listening and develop clarity of thought, without which there can be no sound judgment; literature should keep

alive the memory of those ideals and values which have animated the best minds of the present and the past. In thus developing sound understanding and in keeping fresh for each generation the memory of human ideals, English studies lend significance to the aims of general education, and in addition, contribute to the slow advance of mankind toward that kind of society for which men of good will strive."

George F. Sensabaugh.

"English Curricula in the Educational System"

Long-range plans for the year and a survey of the work covered were submitted. Units of work included literature, correlated activities, number and type of book reports, length and type of oral and written composition, grammar and spelling. Essentials of English Test and the Co-operative Test were selected as the best types of standardized tests. Conferences and department meetings have been held throughout the year. These were both individual and general in nature. Delegates from the department attended the Language Arts Conference in Boston.

Reading and text material were adapted to meet the needs of classes, pupils, and community responsibilities. Book lists, published by the National Council of Teachers of English, were provided to all teachers.

A Teen Age Book Club has read more than two hundred books. Many students have subscribed to "Readers Digest," "Scholastic," and "Literary Cavalcade." In composition, there were three contests, which included Stoneham Public Library Short Story Contest for Junior High School, Stoneham Essay Contest, and National Letter Writing Week Project.

Publications of "Junior Highlights," "The Yearbook," and student reports to the local press were the more important activities. Two composition assemblies were held for Junior-Senior High School pupils. Special training was given to talented pupils and much emphasis was placed on speech defects.

In Dramatics, the Senior Play, "One Foot In Heaven," the Winter Carnival Pageant, Ninth grade radio plays, and the Sophomore and Junior plays were among the more important activities. Much attention was also given to audio visual aids. Eleven films and several film strips were shown, many recordings were played and the tape recorder was used to improve speech. The department is to be congratulated on the long-range plans and fine program carried out during 1949-50.

HIGH SCHOOL LIBRARY

During the year 1949-50, 175 books were added to the library, nearly balancing the books discarded and missing—171. In June, the annual inventory showed 2871 books on the shelves. This is more than shelf capacity but during the school year circulation takes up the slack. This year the circulation was 8173 books, an increase of 918 over last year when there was a drop attributed to television. In spite of this counter-attraction, the younger children are still reading—in free periods in school rather than at home. In fact, the library is now almost the only place where

children can use their own imaginations in quiet and without compulsion.

The library is, of course, a place for study as well as pleasure reading and new reference books are added as needed. This year, the 1950 edition of the Encyclopedia Americana was added.

The course in the use of the library was given all the divisions of the incoming 7th grade—four lessons each. Coming soon after the opening of school it starts the year off with enthusiasm and makes the new pupils proud and eager library users.

SOCIAL STUDIES DEPARTMENT

During the year, meetings of all social studies teachers in the Junior-Senior High School, as a whole or in part, have been held. Serious consideration has been given to the aims, long-range plans, and the proper setting up of an integrated program. Committees in the social studies field have begun a revision of the entire program.

With ever-present dangers to our American way of life, the department has tried to teach factual knowledge, a love of truth, an awareness of our heritage, and to encourage and understand the principles necessary to keep our government free and our liberty intact.

Long-range plans have been set up with broad objectives of each course. Many activities, bibliographies, and testing procedures have been a part of the program.

A teacher committee has been working on a revision of the curriculum in order to better integrate it with the capabilities of the students and within each age grade level from grade one to grade twelve. Both elementary and high school teachers have been members of this group.

There is need of more wall and desk maps, globes, reference material, and visual aids. However, these materials are being supplied more and more. On the other hand, the need for a visual aids room is paramount, and under the present limited space no possible place is available.

It is most pleasing that every effort is being made to make our high school community conscious. Some classes have visited the town hall, the polls, and other business establishments. Speakers including town officials and men from various occupations have been guests of the classes.

Teachers have tried to develop skills, attitudes, and healthy living. Thus, pupils have been more aware of their citizenship obligations, the importance of work and the home, a worthy use of leisure and the need for further education.

HEALTH EDUCATION

Health education in the Stoneham public schools has been an all-inclusive program. During the past year, a Health Council has been formed. The members included the School Physician, School Nurse, Physical Education Supervisors, Town Health Department, Town Dentist, Principals, Elementary Supervisor, and teachers from the departments of Science, Home Economics, and Social Studies, and Guidance Counsels. This organization has formulated definite health objectives and a unified program which

indicates the many places where health education is being taught.

In the Science Department, health units have been developed which includes a study of the human anatomy, good health habits, and a formal curriculum of preventive and corrective health.

In Social Studies, formal work is given in driver and safety education. It is planned that the school will acquire and teach children how to drive behind the wheel next year.

The Home Economics Department is doing much in the teaching of health education and home nursing, child care, and proper diet courses.

Dental service is being furnished to the children in the elementary schools by the Town of Stoneham.

The school physician and school nurse have made a physical examination of all children at least once during the year. Every effort is being made to follow up this work by personally visiting the homes of these children.

It is planned to have an extension of the safety education program in the elementary schools with safety patrols elected by the children from the fifth and sixth grades.

Schools have not given enough attention to mental hygiene and it is hoped more emphasis will be placed on the mental as well as the physical health of the children.

Physical Education Department

The best professional teaching in physical education for many years has been centered on the secondary levels. According to Mrs. Vera Lawson, physical director, the elementary grades received little or nothing in the way of teaching, time, and equipment. Realizing that we had put the cart before the horse and that we had allowed the skill years to take care of themselves, educators began to put the emphasis on physical activities, neuromuscular skills, and right attitudes in the formative years. Mr. Charles E. Varney and the School Committee recognizing that the elementary level is where the teaching of game skills, habits, and attitudes should be stressed, made it possible, through the hiring of Miss Patricia A. James, to extend the elementary physical education program.

The old plan allowed the supervisors to meet the children once a month. Now it is possible for the children to have four physical education periods a week. One period is taught by the supervisor, one is taught by the practice teacher, and the other two are taught by the classroom teacher. The content of these lessons was improved to give guidance in game skill, self-testing activities, and social development. By teaching these basic skills we plan to raise the level of performance, so that physical activity will bring growth, satisfaction, and increasing participation. Through the help of the elementary teachers and the physical education teachers in training, we are all trying.

The high school program is divided into three sections:

(a) The fall out-of-doors season in which every class participates in a program of hockey, soccer, and their fundamental skills.

(b) The winter or indoor program which is made up of corrective work, apparatus, dancing, games, and basketball.

(c) The spring outdoor season which offers a program of softball and tennis.

We are all working for the development of the "whole" child, and we try to give him a background and an opportunity to develop his physical powers, habits, and character.

Nurse's Service

The nurse's part in the health program for 1949-50 can best be summarized with the following major accomplishments:

1. Assisting School Physician with physical examinations and a follow-up.
2. Weighing and measuring 1132 pupils in grades 1 through 6, three times yearly.
3. Weighing and measuring 363 junior-senior high school girls.
4. Testing of eyes of 106 pupils seeming to have defective sight, after teacher testing of all pupils.
5. Transportation of four pupils to eye specialist.
6. Puretone audiometer testing ears of 1700 pupils. First grade pupils were tested individually.
7. Assisting at Board of Health Immunization Clinic for Diphtheria, Fall and Spring.
8. Home nursing course taught to fifty twelfth grade senior girls.
9. Home calls to encourage having defects corrected.
10. Clerical work on physical record sheet for each child from grades 1 through 12.
11. First aid given when needed.
12. Monthly inspection of pupils.

ART

In submitting a report of the art work taught this year in the Stoneham schools, we are trying to bring to all our pupils an awareness that art is a part of a well-rounded life and that life is a part of art.

For the little child, art is an adventure in which he is delighted. He paints for the love of it. His work is direct, bold, and colorful. If not interfered with by adults, he keeps that spontaneous reaction to his experiences and finds an increasing need to express it by including art in his daily living. If encouraged, the child puts himself into his work; his feelings and ideas are communicated to us and he develops through these creative experiences.

Soon, through art, we teach awareness of our neighbors, our surroundings at school and in our community, the beauties of nature in trees, birds, flowers, animals, and sunsets, and later of the world at large and the people who populate it in a well-rounded, integrated program. Children remember longer the things that they both see and read about and then portray on paper or in some form of hand work. They become more observing because they have to notice details in order to depict their ideas.

Many forms of creative experiences have been included in our elementary program. Among them is free expression with crayons and paint, paper construction, and crafts. They are related to

and integrated with their reading, creative writing, designs, music, poetry and drama.

As the children grow older and reach the junior and senior high school, their creative minds think and make discoveries and we have tried to make opportunities for expression of these discoveries. In so doing, they necessarily make choices. Thus we discuss and try to understand the laws of good design and apply them to our work, so that each one of us may form for ourselves certain standards of excellence and enjoy a more real and lasting satisfaction in our work than would otherwise have been possible.

We are badly in need of another art room in the High School, including more storage space in which to carry on the work of teaching crafts as well as drawing.

Crafts of all kinds give opportunity for expression of individuality and develop skill and appreciation as well as an inner satisfaction and release from tension. A list of crafts taught this year in our schools is listed elsewhere.

Community Activities In Art

September—Flower arrangements for the Superintendent's meeting.

October—Arrangements of flowers for Parent-Teacher Association.

November—Posters for Parent-Teacher Association Open House.

December—Decorations and Stage Setting for the Senior Tea.

February—Stage Setting and Lighting for the Winter Carnival Ball, Town Hall.

March—Blood Donor posters for the Red Cross; Scenery for the Emerson School Council Play.

April—Poppy Day Posters for the American Legion.

May—Notices for the Teachers' Club; Favors, floral arrangements, and Memory Book for the Teachers' Club Banquet given in honor of Mr. Varney.

June—Decorations, both up and down stairs, in the Town Hall for the Town Testimonial for Mr. Varney; Decorations for the Town Hall for graduation.

Posters

Posters and murals were made for many and varied purposes.

Murals and projects concerning Social Studies, Safety Posters, Health Posters, Red Cross Blood Donor Posters, School Sports and Dance Posters, Kindness to Animal Posters, Poppy Day American Legion Posters, Senior Play Posters, Holiday Posters, Education Week Posters, Fire signs for the schools.

Crafts

Crafts taught this year in the Stoneham schools include the following:

Leather craft and tooling, block printing, silver work, stencil and textile painting, modeling and ceramics, stage craft, flower arranging.

Field Trips

The seniors who were especially interested in art were taken

to visit several art schools in Boston and to see several art exhibitions.

The art program appears to be very outstanding.

MUSIC

Elementary Grades

In the primary grades the main problem is helping the so-called monotones of these children who have not found their singing voices. With individual help by Mrs. Gilda Wipperman, supervisor of vocal music, and the classroom teacher, every child should be able to sing in pitch and sing a melody along with other members of his class.

Our aim in public school music is the love and appreciation of music. All instruction in the classroom and all musical activities outside the classroom affect the development of music appreciation. Every music lesson should lead to an appreciation of good music. The music period is devoted largely to singing, but the manner in which the singing is conducted should lead to a growing sensitiveness to the beauties and expressive qualities of music and to an increasing pleasure in listening and participating in music.

In all of our grade schools we now have portable electric victrolas as a first step in developing a course in appreciation. At present, records are now available at the Stoneham Public Library and at the Elementary Supervisor's office. However, we feel that it is very important to start a library in each school that will contain records adapted to each grade level and also include some well selected reference books to be used by teachers and pupils. This year we are beginning this project by purchasing a few records that will become part of the record library.

We have a rhythm band in each grade school. It is planned to have elementary orchestras as soon as pupils have received the proper training.

Two-part singing is introduced in grade five and three-part singing in grade six.

Junior High School

The seventh grade music class meets once a week. This is a general music class devoted largely to singing but includes appreciation as part of every lesson.

The program covers the following:

(a) The instruments of the symphony orchestra are introduced.

(b) Story of music (short history) is discussed.

(c) Listening experience is given by records or piano.

(d) Actual participation of children who play instruments is encouraged.

Junior High Chorus

The Junior high chorus meets once a week and includes grades eight and nine. We have an enrollment of about one hundred and fifty which pleases us very much for we feel that music is for all. When the junior high is separated from the senior high, we will be able to train not only a large group such as we have

but also from that break down subdivide them into smaller groups such as a boys' choir, girls' choir, and a mixed chorus.

A Capella Choir

This group of girls learn to sing without accompaniment. Last year was our first experience participating in a large music festival which was held in Melrose. We hope to be represented again this year.

Senior High Glee Clubs

The Girls' Glee Club is an elective course under Mrs. Gilda Wipperman and here again we have a very large enrollment. We combine with the Boys' Glee Club for such activities as the Carnival Ball and graduation. The Boys' Glee Club has been successfully conducted under the guidance of Mr. Calvin K. Schraga.

Junior-Senior High School Orchestra and Bands.

The instrumental music has been expanded during the past year. An individual instruction program in musical instruments has been planned in the elementary and junior high schools and about eighty pupils have been receiving instructions. These will be good feeders for the bands and orchestra in high school. The Junior-Senior High School orchestra has been successfully guided under the directorship of Mr. Rolland Tapley. The band has been conducted by Mr. Chester P. Jordan, Jr., and has made a very good showing at the high school games.

The Spring Concert was one of the outstanding programs in the Music Department. The Music Department is to be commended for its broad and all-inclusive program during the year.

EVENING SCHOOL

Our evening school offers an opportunity for many adults to further study at a very low cost. Many courses have been given during the past year. Typewriting, Stenography, Sewing, Homemaking, and Americanization classes have been conducted under the direction of five competent teachers. There are seventy-four in the commercial department, seventy-nine in the home economics department, and twenty-six in the Americanization group. In other words, 179 students have been attending the Adult Education program. The work in this department is so outstanding that every citizen should visit these classes. Not only are better home makers and more efficient office workers being made but also there are many newcomers to America who are learning the American way of life and will eventually receive their citizenship papers.

PLANNING

It is important that the Superintendent of Schools and the School Committee make continuous study and plans for the future needs of the schools. Any school system is only as strong as the teaching personnel and its administrative leadership. Every consideration should be given to adequate training, modern methods, and a well-balanced curriculum which meets the needs of all children.

The School Committee and townspeople are to be congratulated on their interest in desiring efficient teachers, an adequate

single salary schedule which is comparable to other school systems of the size of Stoneham, and a carefully-planned budget.

I have noted that the community has been alert to the need for more adequate school plants. This is evidenced in building the Robin Hood School and other modern elementary school buildings. The budgets have been set up with care but at the same time they have aimed to take into consideration that there are limitations on the ever-increasing costs of education. Of course, there is always danger of overemphasizing finance and overlooking the educational needs of children. Nearly everyone recognizes that the present Junior-Senior High School building is presenting a very acute problem and everyone who has visited the schools and noted crowded conditions knows that it is important that something should be done. This is indicated in the recent appointment of two building committees, one for the consideration of the high school problem, and the other for an elementary school in the Melrose Highlands district. It is hoped that some constructive program may come out of the deliberations of these two committees. In other words, plans should include expert advice and the study of the future growth of school population and the type of education the people desire to furnish their children for the next twenty years. It is necessary that the ability to pay for any expanded program must be taken into consideration. Studies of school costs should be made to show how these compare with other school systems of the size and wealth of Stoneham.

Considerations in the future should be given to the possibilities of kindergartens, the need for mental and oral hygiene, the extension of the industrial arts and homemaking programs, and the problem of lunch programs. Most of these programs cannot be considered at the present time because of the lack of adequate housing facilities. However, the major problem in Stoneham is to have a better understanding of our schools on the part of the community.

The Parent-Teacher Association and the Councils have manifested a desire to cooperate and the attitudes of these organizations have been commendable. They can become the ambassadors of good will and a vitalizing force in the community. This is the only way that Stoneham can find a solution to the pending problems and produce a better education for its children.

I wish to thank the School Committee, parents, teachers, custodians, office personnel, and the community for the splendid co-operation they have given me for the past five months since I became Superintendent of Schools.

RAYMOND C. BURDICK,
Superintendent of Schools.

Report of High School Athletic Association

Mr. Raymond Burdick
Superintendent of Schools
Stoneham 80, Massachusetts

Dear Mr. Burdick: — The following report of the Stoneham High School Athletic Association is submitted for your information and approval. A financial statement is attached.

Interscholastic competition included football, field hockey, basketball, ice hockey and baseball. A record of performance in the above is as follows:

	Varsity	Jayvee	Freshman
	W L T	W L T	W L T
Football	5—4—0	3—2—0	4—2—0
Field Hockey	2—2—0	2—1—1	
Basketball	8—10—0	9—9—0	1—7—0
Ice Hockey	7—4—0	(No	Ice)
Baseball	12—5—0	4—7—1	2—4—0

The problem of equipment maintenance and replacement has been solved to the extent that 50% replacement of defunct equipment for all sports has been accomplished with plans to complete the work presently in operation. Athletic equipment costs are up approximately 25% over last year and gate receipts are off about 8%. It is anticipated, however, that certain schedule revisions may provide games in football that will prove more attractive; consequently increased attendances may be expected.

The number of participants in all sports for the year is in excess of that of any previous year, and it appears that the number will continue to grow as we increase our capacity to equip additional candidates. We may be moderately optimistic in our outlook for next year inasmuch as the majority of boys earning sports awards are underclassmen.

Insurance coverage for athletic injuries took care of claims for medical and hospital services totalling $1,485.70 from August 29, 1949, through June, 1950.

Some of the difficulties under which the Athletic Program functions are not immediately remediable: Basketball receipts are limited by the present gym capacity, as are practice facilities; ice hockey has required the purchase of costly time at indoor arenas for practice; and football seating capacity is limited to seats in the bleachers for 750 spectators. The possibility of increasing the bleacher capacity is presently under consideration by the Park Commissioners and it is hoped that something in this regard may be achieved at the March Town Meeting.

Various organizations in the community have given the Athletic Association excellent material support. The Park Commissioners and their staff have been extremely co-operative; the Boosters' Club continues its fine work, as does the Rotary Club. The Parent-Teacher Association has indicated an interest in athletics as one of its major objectives, and the Elementary Schools Councils are planning programs to further athletics on the grade school level. To all of these the Athletic Association extends its sincere thanks.

Concluding with a word of appreciation to the School Committee for its broad policies and active interest, I am,

Respectfully yours,

KARL P. ELERIN.

Athletic Association Annual Financial Report

Receipts

Bank Balance, January 1, 1950	$111.21

Explanation of Budget for 1951

I. General Control and Instruction

Summary of Instructional Salaries:

North School	$24,230.00
South School	25,881.00
East School	19,976.00
Emerson School	23,308.00
Robin Hood School	24,157.00
Junior High School	61,611.00
Senior High School	80,807.00
Supervisors and Special Teachers	21,011.00
Assistant Coaches	800.00
Administration	15,345.00
Evening School	1,600.00
Substitutes	3,500.00
Special Programs	300.00
	$302,526.00

The total for this item last year was $285,858.00, a difference of $16,668.00. Of this difference, $5,313.00 accounts for all increments, leaving a difference of $11,355.00. This figure of $11,355.00 is absorbed partly by the fact that last year additional teachers were hired for the new Robin Hood School and the amount included in the 1950 budget was for only four months. In 1951 it will be necessary, of course, to include their salaries for ten months.

All increments affecting the 1951 budget are due to automatic increases according to our salary schedule and also an increase of $50.00 for elementary school principals.

Books:

Element'y Schools:	*1093 pupils @	$3.00	$3,279.00
Junior High School:	* 400 pupils @	4.00	1,600.00
Senior High School:	* 394 pupils @	4.00	1,576.00
			$6,455.00

* October 1, 1950 enrollment figures

Supplies:

Element'y Schools:	1093 pupils @	$3.50	$3,825.50
Junior High School:	400 pupils @	4.90	1,960.00
Senior High School:	394 pupils @	6.00*	2,364.00
			8,149.50

* Including trade-in of three typewriters

II. Operation

Salaries:

Salaries of all custodians, substitutes, and a part-time matron in the Junior-Senior High School which is a necessity	23,400.00

Fuel:

1200 bbls. No. 5 oil @ $3.25	$3,900.00	
425 tons coal @ $13.50	5,737.50	
		9,637.50

Miscellaneous:

Electricity:

North School	$600.00

South School	500.00	
East School	500.00	
Emerson School	400.00	
Robin Hood School	500.00	
Junior-Senior High School	2,500.00	
		5,000.00
Gas:		
North School	15.00	
South School	20.00	
East School	25.00	
Emerson School	15.00	
Robin Hood School	10.00	
Junior-Senior High School	85.00	
		170.00
Telephones:		
North School	$80.00	
South School	110.00	
East School	75.00	
Emerson School	80.00	
Robin Hood School	75.00	
Junior-Senior High School	315.00	
Administration	350.00	
		1,085.00
Water:		
North School	$70.00	
South School	65.00	
East School	50.00	
Emerson School	50.00	
Robin Hood School	50.00	
Junior-Senior High School	130.00	
		415.00
Towels:		
North School (20 cases)		
South School (20 cases)		
East School (20 cases)		
Emerson School (20 cases)		
Robin Hood School (20 cases)		
Jun.-Sen. High School (100 cases)		
200 cases @ $3.15		630.00
Toilet Paper:		
North School (2 cases)		
South School (2 cases)		
East School (2 cases)		
Emerson School (2 cases)		
Robin Hood School (2 cases)		
Jun.-Sen. High School (5 cases)		
15 cases @ $10.00		150.00
Cleaning Materials and floor treatments		600.00
Total for Miscellaneous		$8,050.00

III. MAINTENANCE

Care of grounds	$200.00
General repairs	2,000.00

Shop replacements	200.00	
Painting five rooms in the Junior-Senior High School @ $180.00 per room	900.00	
50 gallons paint @ $5.00	250.00	
Electrical and heating repairs	250.00	
Replacement of inter-communication system in High School	1,800.00	
Replacement of worn-out jig saw in High School shop	150.00	
Roof repairs at High School	500.00	
Cleaning and repairing athletic equipment	600.00	
Replacement of furniture and equipment	300.00	
Replacement of 30 arm chairs @ $12.00	360.00	
		$7,510.00

The amount of $1,800.00 is the minimum amount with which we can obtain a satisfactory inter-communication system. Every high school the size of our system has a good inter-communication clock and telephone system in order to be run efficiently. There is no service at the High School at the present time and the present system is beyond repair.

IV. Auxiliary Agencies

Library:		
Books & Supplies for elementary schools	$150.00	
Books & Supplies, Jun.-Sen. high school	700.00	
		$850.00

Although the total amount for this item was $750.00 last year, we have deducted $50.00 from the high school account and added $150.00 for elementary schools so that each elementary school classroom may start an individual library. In the past the elementary schools have not had any money for library books.

Health:		
Salaries of physician and nurse	$3,850.00	
Travel	200.00	
Supplies	350.00	
		4,400.00
Transportation		5,150.00

The total of our present contracts for all transportation is $5,148.00. We have therefore not allowed for any expansion of this service for next year.

Tuition		0.00
Miscellaneous:		
Express charges	$500.00	
Graduation expenses	380.00	
Athletic insurance	1,550.00	
Membership in the New England School Department Council	188.70	
Athletic equipment	2,500.00	
Printing annual report and other supplies	100.00	
Driver-Training course	400.00	
		5,618.70

V. Outlay

New Equipment:		
3 Door Mats for Robin Hood School	$100.00	

3 Typewriters—2 @ about $106.75 and 1 @ about $142.00	350.00	
Panic Doors	250.00	
Musical Instruments	600.00	
Science equipment	300.00	
7 Dark Curtains @ $7.00 for High School	49.00	
1 Sewing Machine	142.00	
1 Cutting Shears	21.50	
100 Card Board Boxes for sewing classes	90.00	
1 Westinghouse Range for High School	350.00	
1 Teacher's Desk for North School	40.00	
4 Work Tables @ $25.00 for North School	100.00	
		$2,392.50

New equipment in Capital Outlay is increased because of the additional need for home economics equipment and the extended program in the Music Department.

The increase in income from State Aid and other sources of $10,000.00 or more will make the net increase to the taxpayer not more than $14,000.00.

Receipts

Receipts for the School Year 1949-50:

State Aid, General	$64,748.96
State Aid for Americanization	135.50
State Aid for Trade Schools	1,019.20
Tuition of State Wards	2,292.39
Tuition of State Juvenile Training Wards	453.27
Tuition of City of Boston Wards	265.45
Tuition of non-resident pupils in day school	218.40
Tuition of non-resident pupils in evening school, Americanization division	105.00
Tuition of non-resident pupils in evening school	150.00
Registration deposits of evening school pupils	143.00
Deposits on books loaned to evening school pupils	33.00
Miscellaneous cash turned in to Town Treasurer	170.59
	$69,734.76
Receipts from previous year	61,206.29
Difference	$8,528.47+

State Aid

The number of pupils for whom we are entitled state aid is 1819. This is 65 more than it was for last year. However, since the State's valuation of Stoneham will not be available until late spring, we cannot now figure the exact amount due Stoneham. For the purpose of figuring state aid, we are not allowed to use the local valuation.

Teacher-Training Summary for 1949-50 Staff

With less than 2 years' Normal School Training	5
With 2 years' Normal School Training	6
With 3 years' Normal School Training	15

With Bachelor Degrees	44
With Master Degrees	7
Total	77

Courses for Professional Advancement Taken by Teachers

Lydia Bagdikian—Great Philosophers and Their Influence on Education—University Extension

Irene G. Bagley—Problems in Classroom Procedure—University Extension

Jeannette M. Bailey—Leather Craft; Variety Crafts—Boston Adult Center

Eleanor M. Baker—Ceramics—Museum of Fine Arts School

Wilma E. Buck—Astronomy; Modern Literature; History and Appreciation of Art—University of Maine

Carmen T. Buono—Teaching of Science in Junior and Senior High Schools—Boston University. Accident Prevention—American Red Cross. Human Relations—Massachusetts Society for Mental Hygiene

Arthur E. Bushway—Problems in Classroom Procedure—University Extension

Janet F. Copland—Western Travel, 5 weeks, including National Parks (Zion, Grand Canyon, Bryce, Cedar Breaks, Garden of the Gods, Yosemite), and stops at Chicago, Denver, Royal Gorge, Salt Lake, San Francisco, Los Angeles, Riverside, San Diego, Tijuana (Mexico), with additional sight-seeing tours. Religious Education—Community School of Christian Education

Anthony E. DeTeso—Seminar in Education—Tufts College

Karl P. Elerin—Psychology of Physical Education; The Unit Method: Secondary Schools; The Organization and Administration of the Secondary Schools—Boston University

Vera D. Dewar—Accident Prevention—American Red Cross. Human Relations—Massachusetts Society for Mental Hygiene

Francis G. Driscoll—The American School; Secondary Education—Harvard University

Harriet E. Fitzgerald—Problems in Classroom Procedure—University Extension. Accident Prevention—American Red Cross. Mental Hygiene—Massachusetts Society for Mental Hygiene. Institute for Teachers of Mathematics—Tufts College

Audrey A. Furze—American Literature I—Temple University. American Literature II; American History; Geography; World Literature; Teaching of Science—Lesley College

Margaret G. Garvin—Great Philosophers and Their Influence on Education—University Extension

Helen S. Gay—Problems in Classroom Procedure—University Extension

Howard R. Gordon—Problems in Classroom Procedure—University Extension

Estelle S. Hall—Human Relations—Massachusetts Society for Mental Hygiene. Accident Prevention—American Red Cross

Walter R. Herrick—Problems in Classroom Procedure—University Extension. Current Foreign Affairs—Harvard-Boston University Extension

Willard R. Higgins—Problems in Classroom Procedure—University Extension

Helen C. Hines—Problems in Classroom Procedure—University Extension. Human Relations—Massachusetts Society of Mental Hygiene. Accident Prevention—American Red Cross

Viola M. Hathorne—Accident Prevention—American Red Cross

Virginia Hodgkins—Improvement of Reading; Problems of Adjustment in the Home and Family—Boston University

Patricia A. James—Measurements In the Secondary School—Boston University

Chester P. Jordan, Jr.—The Secondary School: Its Organization, Administration, and Program; Educational Measurement: Statistical Methods—Harvard University

Louis Kahn—Radio Theory and Operation—Massachusetts Radio School. Oregon History; Oregon Law—University of Oregon

Edna M. Kemp—Supervision in Elementary School—Boston University

Roger W. Lamson—Problems in Classroom Procedure—University Extension

Vera C. Lawson—Methods and Materials in Teaching Health—Boston University

Rosemary LeVangie—Problems in Classroom Procedure—University Extension

Winston B. Lobdell—Problems in Classroom Procedure—University Extension. Accident Prevention—American Red Cross. Human Relations—Massachusetts Society of Mental Hygiene

Evelyn G. Macdonald—Secretarial Course—Malden Business School

Caroline C. Maloney—Teaching of Reading—Boston University Extension

Marilyn J. Manning—Ceramics—Museum of Fine Arts School

Sadie L. Marshall—Twentieth Century American Literature—Harvard University

Estella A. McDonough—Problems in Classroom Procedure—University Extension. American Drama; English Literature; Colonial America—Oneonta State Teachers' College

Esther Melkonian—Problems in Classroom Procedure—University Extension

William G. Miller—Current Science Lectures and Demonstrations—Society of Arts, Massachusetts Institute of Technology

William M. Nadeau—Public School Administration and Supervision—Boston University. Human Relations—Massachusetts Society for Mental Hygiene. Accident Prevention—American Red Cross

Thalia Nicholas—Human Relations—Massachusetts Society for Mental Hygiene. Accident Prevention—American Red Cross

Joseph F. Ortman—Principles of Vocational and Educational Guidance—Boston University

Angela H. Phillips—Cake and Pastry Course—Miss Farmer's School of Cookery

Marian E. Pickering—Problems in Classroom Procedure—University Extension. Accident Prevention—American Red Cross. Human Relations—Massachusetts Society for Mental Hygiene

Parisha N. Piligian—Accident Prevention—American Red Cross. Human Relations—Massachusetts Society for Mental Hygiene. Modern Poetry; Political Science; Child Development; Educational and Vocational Guidance—Springfield College

Anna M. Regish—Problems in Classroom Procedure—University Extension

Clark A. Richardson—Problems in Classroom Procedure—University Extension

Alice E. Riggs—Problems in Classroom Procedure—University Extension

Alexandra S. Roberts—Accident Prevention—American Red Cross

Lily Root—Education Psychology I; Philosophy of Education—Radcliffe Elementary Education—Willimantic State

Earle T. Thibodeau—Problems in Classroom Procedure—University Extension

Diana D. Warren—Accident Prevention—American Red Cross. Human Relations—Massachusetts Society for Mental Hygiene. Voice Development and Speech Training—Boston University

Louise F. Wood—Problems in Classroom Procedure—University Extension

List of Teachers and Other Employees

Name	Subject or Grade	Date Appointed	Educated at
Mrs. Evelyn G. Macdonald	Department Clerk	December, 1943	S. H. S., Malden Bus. Col.
LaVerne Ames	Department Clerk	July, 1950	Stoneham High School

P. G.	—	—	—	—	—	—	—	—	—	—	—	—	—	—	1	—	—	1
Totals	69	172	199	202	165	150	147	132	131	138	152	136	72	20	1	1	—	1887

In the underage groups only two are younger than the ages of their grades. This is most commendable because pupils should never be permitted to skip a grade. According to the age-grade table there are 36 overage pupils. This distribution shows very little retardation except in grades 5, 8, and 10. There is no serious problem when one considers that the per cent of retardation is less than 2% in the entire school system.

High School Graduation Exercises—Class of 1950

PROGRAM

Entrance of Graduates — War March of the Priests *Mendelssohn*
(From Athalia)

High School Orchestra
Mr. Rolland Tapley, Conductor

(The audience will remain seated as the graduates enter the hall)

Class Marshals
Joan P. Moore, Class of 1951
Richard A. Shurtleff, Class of 1951

Graduation Hymn (the audience uniting) ..... *Hemy-Walton*

FAITH OF OUR FATHERS

1

Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word!

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

REFRAIN

Faith of our fathers, holy faith
We will be true to thee till death.

Prayer

Rev. Ambler Garnett

Speech of Welcome

Frank Sousa, President

Address — At the Crossroads

John Farrell

Still wie die Nacht (Calm as the Night) ..... *Bohm*

Orchestra and Organ

Presentation of MacDonald Medals

Joan T. Howard, Jane A. Hoyt, and John H. Winston

Report on Robin Hood School 1950

To: Mr. Raymond C. Burdick
Superintendent of Schools
Stoneham 80, Massachusetts

Subject: Progress reported by the Elementary School Building Committee to the Stoneham School Committee.

At the request of Superintendent Burdick, we are pleased to submit herewith a progress report on the construction of the Robin Hood School which we understand you wish to use in connection with your annual report to the Town.

At a special town meeting held in the fall of 1949, the Town voted to purchase a piece of land in the northwest section of the Town, build a school thereon, and appropriate money for this purpose. The building committee was selected and authorized to proceed. A sum of $15,000 was appropriated to purchase the land and $325,000 to construct the building.

In the Spring of 1950 bids were received and a contract awarded to the low bidder, John Capobianco Company of Boston, Massachusetts. The plans and specifications were provided by the architectural firm of Kilham, Hopkins, Greeley and Brodie, also of Boston. The actual construction was begun in April, 1950, and the work progressed satisfactorily to such an extent that it was possible to use the building in September.

As of today's date, the building and rough grading are substantially completed. The loaming and seeding have been deferred until Spring for more favorable weather conditions. Under the terms of the contract, final payment has yet to be made to the architect and the general contractor. As soon as this has been done, the Building Committee proposes to turn the building over to the Town.

While it is impossible at this time to give a detailed report of the expenditures, the work and materials to date authorized are within the appropriation. The major item remaining to be done is the loaming and seeding. No bids have been received for this work but the range of "guess" estimates run from a minimum of $5,000.00 to a maximum of $20,000.00.

The Building Committee as a Committee and also as taxpayers are gratified that the project has approached a near conclusion without the necessity of raising more funds as was the case of some of our more unfortunate neighboring towns. From the succession of economic and political events which have taken

The New Robin Hood School

Entrance of the School; looking toward Oak Street

One of eight typical classrooms in the new school

place in the past year, as well as the terrific increase in costs of materials and labor, it would appear that we crossed the finish line at about the right time. With the contribution of the School Assistance Commission fixing the cost for this project to the Town of an estimated $235,000, the voters who had the courage and foresight to support this project are to be congratulated.

Respectfully submitted,
WILLIAM E. BRIDGMAN, Chairman,
THELMA I. CROWELL, Secretary,
NORMAN DOWNES,
EVERETT C. HUNT,
EDWARD I. WOODBURY,
Elementary School Building Committee.

December 17, 1950.

REPORT OF CEMETERY TRUSTEES

To the Citizens of Stoneham:

The Board of Cemetery Trustees submit their annual report for the year 1950. The Trustees were organized as follows:

George R. Barnstead, Chairman.
Charles A. Owen, Secretary.
George B. Williams.
Herbert J. Brock.
Joseph H. Blinn.

The work at the Cemetery this year was similar to other years. Two pieces of road were resurfaced. The road around Soldiers' Circle which was started last year was completed for Memorial Day. Later Glen Path was resurfaced.

The retaining wall along Almond Path required more funds than was estimated due to the fact that a much longer wall than was originally planned is necessary. It is hoped that this work will be done in the near future.

A flight of stairs was built in the garage to give access to the storage lot. A coat of paint was given to the trim on this building.

Section six on Maple Avenue which is a new section just opened this year has been improved by the addition of some new shrubbery.

The necessary tree work has been done and several headstones were capped to preserve them. Work has been started on the road around the rockery preparing it for a hot top surface.

Pleasant Street Cemetery was cared for as usual, the grass being cut at proper intervals, leaves removed in the fall, stones capped, and trees trimmed and removed where necessary.

It is with extreme regret that we record that during the month of December we lost a valued member of this Board, Herbert Jay Brock, who died on December 16, 1950.

Receipts for the Year 1950

Annual Care for Soldiers' Graves	$719.75
Annual Care of Lots	1,179.50
Perpetual Care for Lots and Graves	1,277.50
Perpetual Flower Fund	50.00
Foundations and Repairs	385.00
Sale of Lots and Graves	1,035.00
Opening Graves	1,831.00
Concrete Liners	960.00
	$7,437.75

Respectfully submitted,
GEORGE R. BARNSTEAD, Chairman,
CHARLES A. OWEN, Secretary,
GEORGE B. WILLIAMS,
JOSEPH H. BLINN,
Board of Cemetery Trustees.

REPORT OF PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board organized for 1950 with Mr. Charles A. Owen, Chairman and Mr. Edmond F. Dagnino, Secretary. Later Mr. Dagnino resigned and Mr. Chester A. Rogers was chosen Secretary in his place. Mr. Charles W. Farrow was elected to fill the vacancy on the Board caused by the resignation of Mr. Dagnino.

Mrs. Gertrude B. Mortensen continued as office clerk and has performed her duties in a very satisfactory manner.

Plans for development together with proper petitions were submitted and public hearings held thereon in accordance with the statute, as follows:

Avalon and Jefferson Roads—Approved.
Magnolia Terrace—Approved.
So. Marble Street—Approved.
Lodge Drive—Approval withheld.
Tidd Road—Approval withheld.
Campbell Road—Approval withheld.
Oak Ridge Road—Approved.
Stoneham Housing Project No. 2—Approved.

A public hearing was held in February on six articles for the Town Warrant. Several consultations were held during the year with parties regarding future plans which may be submitted at a later date. At the invitation of the Stoneham Chamber of Commerce, we met with their organization together with other town boards, at which meeting a discussion of the matter of business zoning was considered.

This year the Planning Board put into effect a set of requirements containing specifications and street cross sections which are now made a part of the agreement between the petitioner and the town.

The Planning Board functions under Chapter 41 of the General Laws. The Board is charged with certain duties which are fundamental to its proper functions and which are described by the law in part as follows:

"The Planning Board shall from time to time make careful studies, and when necessary, prepare plans of the resources, possibilities and needs of the town, and upon the completion of such study shall submit to the Selectmen a report thereon with its recommendations."

No Planning Board of recent memory has properly carried out these duties, not from lack of willingness, but because the town has not seen fit to implement their work with an absolutely essential appropriation. The result of the failure to provide needed funds has been haphazard control and no long range plans. The loss to the town because of faulty economy is impossible to estimate.

The present Planning Board has recognized the necessity of

carrying out its statutory duties and has, therefore, requested the funds to carry out these requirements. It is the earnest wish of the Planning Board that the townspeople will recognize the vital importance of this matter to the present and future development of the town.

Respectfully submitted,

CHARLES A. OWEN, Chairman
CHESTER A. ROGERS, Secretary
RUSSELL C. CHASE
FOREST A. GONYER
CHARLES W. FARROW

PARK COMMISSIONERS REPORT

To the Citizens of Stoneham:

To the uninitiated the Board of Park Commissioners in Stoneham means little more than overseers of Pomeworth Playground and rule makers who closed Recreation Park while it was being repaired.

With the ever increasing population of Stoneham, the Board of Park Commissioners has had one duty added after another until today this department has some function in every neighborhood in the town.

There are now eleven memorial triangles planted and cared for by the working crew. Each triangle has at least two plantings per year in addition to the regular maintenance. In addition there are ten foliage and flower beds, one rock garden and one rose garden to care for constantly plus the complete planting and maintenance of the Town Hall gardens, shrubbery, and lawns as well as Christmas decoration of the Town Hall.

The upkeep and repair of the four playground areas, Recreation Park, Pomeworth Street Playground, Steele Playground, and A. P. Rounds Playground, increases every year, with added demands on the limited areas.

A 300 foot Cyclone fence was constructed at A. P. Rounds Playground this summer as a safety factor for the great number of small youngsters using the park.

An indication of the use these areas get is shown by schedules as follows for the past year:

Hockey Rink — SHS Team practiced Monday through Friday from 3-5, weather permitting, first 8 weeks; 6 games were scheduled including Carnival.

Recreation — 24 Baseball scheduled games; 11 Football scheduled games.

Pomeworth — 17 Baseball scheduled games; 1 Circus.

Lower Pomeworth — 124 Softball scheduled games (15 week period Monday through Thursday both diamonds, then the playoffs.)

East School — 10 Softball games.

Rounds — 2 Field Days—Boy Scouts, Neighborhood Asso'n.

The eight week summer program on the parks followed a pattern of several years standing, with athletics and handicraft

work supervised by six competent instructors under Mr. Anthony E. De Teso. As a new feature this year, the new swimming pool at Border Road was put to use as a part of the Park program each Monday and Wednesday morning. Thanks are due Captain McCarthy and Mr. Hayes of the M. D. C. for their co-operation in making this pool available to the Park Department for supervised swimming and instruction. Approximately 100 children enjoyed this added feature each day, and this new feature will become a part of the regular summer schedule with the co-operation of the M. D. C.

The Board of Park Commissioners and the townspeople are indebted to the Stoneham Rotary Club and the McIntire Bus Line for supplying transportation to the Baseball Outing and Salem Willows trip for the children.

The softball league as indicated in the previous schedule played 124 scheduled games over a fifteen week summer period with additional time for play-offs. Much criticism has been noted from this group on the condition of the field at Pomeworth Street, and money refused last year for this work is needed to make this older field suitable for the High School recreation program and softball league use. Also a sum is needed to install and augment the flood lights donated for softball and other uses on the lower field at Pomeworth Street by Mr. Ted Syak.

The Park Commissioners recommend that articles in the warrant for repair to Pomeworth Street Field and installation of flood lights be passed favorably and in addition hope that serious consideration will be given to the article dealing with the purchase of land from the Boston and Maine Railroad adjacent to Recreation Park for the site of an eventual field house. This land can be had for assessed valuation and is of unestimable value. The Commissioners do not by this article intend to press for a field house at this time, but the acquisition of this land would preclude any possible undesirable commerce going in by this field.

Respectfully submitted,

EDWIN H. Frazier, Chairman
DONALD A. LAWSON, Secretary
WILLIAM F. WILSON, Issuer of Permits
Board of Park Commissioners.

TRUSTEES OF PUBLIC LIBRARY REPORT

To the Citizens of Stoneham:

The Trustees of the Stoneham Public Library met in the Trustees' Room at the Library on Tuesday evening, March 14, 1950 and elected the following officers for the ensuing year: Chairman, Mr. Fred A. Lawson; Secretary, Mrs. Marjorie A. Patch; Financial Chairman, Mr. George E. MacNeil, Jr. The following committee were also appointed: Book Committee, Mrs. Nance B. Barnstead, Mrs. Marjorie A. Patch, Mr. Elbert R. Boyd; Building and Grounds Committee, Mr. George E. MacNeil, Jr., Mr. Alfred R. Johnson, Mr. Elbert R. Boyd. It was decided to keep

the Music Library Committee as a standing committee with Mr. Johnson as Chairman.

In the spring of 1950 certain necessary repairs and improvements were made to the Library Building by the Moore Construction Company. This work included new electric fixtures in the book stacks which had long needed more adequate lighting; repairing of leaks in the roof and gutters of the building; painting the outside of five entrances; washing and painting walls of children's entrance vestibule; washing and varnishing of woodwork in main vestibule; washing and painting of ceilings, walls and floors in washrooms and basement toilets; replacing cement in outside walk flush with step-sidewalk; recutting and resetting granite cap on stonewall on Maple Street side and pointing eleven open joints in the stonewall.

Two paintings were hung in the building; that of Col. Elbridge Gerry which had been presented to the Library by the Estate of Mr. Elbridge Gerry, was hung in the Adult Reading Room beside the Grandfather's clock, also bequeathed to the Library by Mr. Gerry, and a painting by the artist, Miss Laura Lee, a gift of Miss Lee, was placed in the High School Reading Room. Also suitably engraved brass placques for Col. Gerry's portrait and the clock were added.

In May several albums of light classical music were added to the Music Library to add a greater variety to this popular feature of the Library.

During the summer and early fall months there was much favorable comment concerning the landscaping and the colorful floral displays on the Library grounds. The Library Trustees are deeply appreciative of this splendid work which was done under the supervision of Mr. Fred Porter.

Because of the increasing pressure of work at the Library the Librarian and Trustees decided that a full time trained Cataloguer was essential to the Library to maintain an efficient staff and so during the summer and fall months several applicants were interviewed by the Trustees and the services of Miss Agnes A. Rennie of Brewster, Mass., were obtained to fill this position. Miss Rennie began her duties as a permanent member of the Library staff November 1, 1950.

In December the Library windows were lighted with groups of candles for the Christmas season and the interior of the building beautifully decorated with wreaths and garlands, the efforts of the Library staff.

Several Book Review Teas were held during the year for the benefit of the general public and the children's Story Hours held twice each week continued to be one of the popular features of the Library. Interesting exhibits in the show cases in the Adult Reading Room and the Children's Room provided special interest and have brought forth much favorable comment throughout the year.

The Library Trustees are always pleased to grant permission for the use of Library Hall to various town organizations when a special meeting place is needed and during the past year

a number of such groups have availed themselves of this privilege including The Stoneham Community Council, The Visiting Nurse Association, The Stoneham Garden Club, The National Foundation for Infantile Paralysis, The Stoneham Woman's Club and others.

The Library Trustees wish to express their appreciation to the Librarian and the Library Staff for the efficient work they continue to do and for their willing and constant co-operation.

A detailed report of the Librarian follows.

FRED A. LAWSON, Chairman
ELBERT R. BOYD
ALFRED R. JOHNSON
GEORGE E. MacNEIL, JR.
NANCE B. BARNSTEAD
MARJORIE A. PATCH, Secretary

Report of the Librarian

To the Trustees of the Stoneham Public Library:

I present the ninety-second annual report of the Stoneham Public Library for the year ending December 31, 1950.

Summary of the Year's Work

During the past year, 1,357 new books have been added to the library, 873 in the Adult Department, 484 in the Junior; 84,528 books, pamphlets and pictures have been loaned, 50,965 to adults, 33,563 to juniors; 5,178 cards have been typed and added to the catalogs, 23 Library of Congress cards have been added; 548 albums of records have been loaned; 34 books have been borrowed from other libraries for the use of our readers, 15 have been lent to other libraries, and 1,278 reference questions have been answered. The attendance at our Story Hours has been 2,614 and 328 pupils have attended classes on the use of the library. During "Spring Book Festival" and "Children's Book Week" special exhibits and programs were held in the Junior Department and book reviews and teas for adults were held throughout the year. The Librarian and Children's Librarian have given book reviews to various organizations in the town. Assortments of books were kept at the Home for Aged People and at the Town Infirmary.

Gifts

As usual, many good books have been donated to the library, and the Stoneham Garden Club continues to give us subscriptions to two magazines, and as many books as their treasury can afford. These contributions from the Garden Club and private individuals are much appreciated.

Library's Place in the Community

We, of the library staff, have come to feel that our efforts are made in five different channels. We are a "social" library in that we supply fiction and the lighter non-fiction to those who read merely for pleasure. We are a school library in that we spend a great deal of our time on reference work and book selection for high school students. In the same manner, we try to help the college student in supplying him with the information and books he needs. Then, too, we have the practical man or

woman, for whom we must find books and articles showing how things are made or repaired. And we have the Junior Department which supplies amusement and the means of instruction to the children of the town. We know our score is not perfect in any field, but the work is always variable, engrossing and rewarding.

The Staff

The Staff is as follows: Miss Susan E. Demery, Librarian; Miss Margaret I. Golding, Children's Librarian; Miss Wilma Swift, Assistant in the Junior Department; Mrs. Francis C. Wade, Head of Circulation and Reference; Miss Agnes A. Rennie, Cataloger, and Mr. Henry J. Wetzler, Custodian.

May I express my sincere thanks to the Staff for their friendly help, and to the Trustees for their good-will and wise advice.

Respectfully submitted,
SUSAN E. DEMERY, Librarian

REPORT OF BOARD OF SELECTMEN

To the Citizens of the Town of Stoneham:

At the annual election held on March 6, 1950, Fred A. Schneider, John E. Finnegan, Edwin H. Lombard, Philip D. Burnham and A. Ernest Clark were elected Selectmen of the Town of Stoneham for the ensuing year. On the following night, March 7, 1950, the board met in regular session and organized as follows: Mr. Schneider, chairman; Mr. Lombard, secretary; Mr. Finnegan, disburser of Soldiers' Benefits.

Winthrop A. McCarthy was re-appointed clerk of the board. Robert D. Callahan, Esq., was appointed Town Counsel. Other appointments were as follows: William E. Crosby, forest warden; John Clarence Nelson, lock-up keeper and field driver; Lawrence F. Hurley, agent for the disburser of Soldiers' Benefits, director of Veterans Benefits and burial agent; Clarence E. Lent, inspector of Veterans graves; Albert J. Duff, dog officer; Percival H. Wardwell, moth superintendent; Henry T. Meegan, animal inspector and pound keeper; Thomas H. Graham, measurer of leather; J. Algernon Forbes, sealer of weights and measures; John M. Roach, town weigher; Cakes A. Elden, building and wire inspector; all for one year, and James E. Johnson, registrar of voters for a term of three years. In addition your Selectmen appointed Paul J. Rocney and Edmund J. Moreira to the Board of Appeal for a term of three

years. Arthur G. Chapman and Clyde H. Severance were appointed associate members for a term of one year. Mr. Severance was also appointed director of Civil Defense.

During the year Albert E. Casey resigned as superintendent of Public Works to take another position and Mr. Elden who reached the maximum age under the Retirement System, completed his duties as building and wire inspector in October 1950. Mr. Robert B. McKenna of Wakefield, former superintendent of streets in that town, was appointed to fill the vacancy caused by Mr. Casey's resignation. Mr. Bernard H. Corbett of Stoneham was appointed building and wire inspector.

On August 17, 1950, the Board lost one of its members by death. Selectman A. Ernest Clark died during his second year in office. In testimony of their esteem and respect, the Selectmen adopted a memorial resolution and ordered a period of mourning. His chair remained vacant for the remainder of the year.

At the annual Town Meeting of 1950 it was the mandate of the voters assembled at Town Hall that the Board of Selectmen take over the duties of the Committee on the Reorganization of Town Government. The first problem of your Selectmen was a determination of the legality of Chapter 213 of the Acts of 1950, an act which amended the original Town Manager Act, so-called, but which did not become law until March 13, 1950, said date being seven days after the voters of Stoneham had voted on the Town Manager Act as amended. Town Counsel Callahan, in a written opinion to the Board, stated that the original act and amendments thereto were accepted illegally and therefore the acceptance was not valid.

The Executive Committee of the Stoneham Chamber of Commerce met with the Selectmen on August 28, 1950, relative to the status of the Town Manager Act. The Board made reference to the written opinion of the Town Counsel and suggested that the Chamber of Commerce test this opinion in the court. Apparently this suggestion did not meet with the approval of the Chamber.

On November 21, 1950, the Selectmen advised the Town Clerk that, in view of the Town Counsel's opinion, a warrant for the annual Town Meeting of 1951 would be prepared immediately calling for the election of officers as required by Chapter 41, General Laws and amendments thereto, and the re-submission of the question for acceptance of the Town Manager Act and its amendment. Whereupon the Town Clerk entered a petition in Superior Court for declaratory judgment on the material facts of the case. On January 17, 1951, Judge Jesse W. Morton issued a final decree declaring that the action of the voters of the Town of Stoneham at the annual meeting of March 6, 1950, purporting to accept the provisions of Chapter 597, Acts of 1949, as amended, was void and of no effect and directed that the question of acceptance of said act, as amended by Chapter 213 of the Acts of 1950, be submitted to the voters at the annual town meeting to be held in 1951.

In view of the foregoing and in order to insure the voters of the Town of Stoneham that a Town Manager form of government would be undertaken in 1951 if such was to be voted at the town election on March 6, 1951, your Selectmen conferred with Representative Charles Gibbons on the course of legislative action to

follow. It was finally agreed that the existing Town Manager Act and its amendment be repealed and that a new law be enacted which would permit the appointment of a town manager in 1951 if the act was accepted by the voters on March 6, 1951. The new Town Manager Act, Chapter 50 of the Acts of 1951, was signed by the acting governor of the commonwealth on February 16, 1951.

According to the report of the Town Accountant the financial status of the town continues to be solid. Again this year the Selectmen call attention of the voters to the steadily increasing bonded indebtedness which as of December 31, 1950, amounted to $868,000.00. The limit of the town's borrowing capacity now is $421,000.00.

Nevertheless the financial report for the current year shows surplus accounts that total more than $350,000.00. Largest of the surplus accounts is the Excess and Deficiency Account of $235,072.15, and of this sum there is available for transfer $91,-961.00. The Water Surplus Account contains $72,694.38 and the Road Machinery Funds totals $15,287.24, and the entire proceeds of both accounts is available for transfer. Despite the loss of approximately $25,000.00 in tax receipts from the state as compared to the amount estimated by the state for use by the town in computing the 1950 tax rate, the town was able to show surplus revenue for 1950 in the amount of $49,848.00 which was added to the Excess and Deficiency Account.

In conclusion the Board of Selectmen takes this opportunity to express its thanks to all town officers and department heads for their cooperation and assistance in the administration of town affairs during the past year.

Respectfully,
FRED A. SCHNEIDER,
JOHN E. FINNEGAN,
EDWIN H. LOMBARD,
PHILIP D. BURNHAM,
Selectmen of Stoneham.

Report of the Superintendent of Public Works

To the Honorable Board of Selectmen:

I hereby submit the following report of the Public Works department for the year ending December 31, 1950.

Properties

The two large barns at the Town Yard on Pine Street were given a coat of paint on the front and one side, using our own laborers as painters. We hope to complete the job this coming year. The other garages and out-buildings were kept in as good repair as possible. The tree warden was given permission to burn the limbs and trunks from diseased elm trees on a portion of the pipe yard on Stevens Street. Gates were erected at the gravel pit off East Street because people started to use the gravel pit as a dump.

$3,000.00 was appropriated by the voters at the March Town Meeting under a special article which allowed the Department to purchase materials to provide housing for our equipment. We altered a shed into a 5 stall garage and we were able to remove

three trucks from a public garage where we were paying $15.00 a month for each truck. This coming year $540.00 will be saved in garage rentals, which is certainly a very good return on the $3000.00 investment. We have started construction on a cement block garage with the remaining portion of the $3000.00. It is my hope that the voters will give the Department an additional sum of money in 1951 so that we may continue this work and also purchase a boiler and radiators with which to heat the garage just constructed. All the work on these buildings was done by men employed by the Department.

Chapter 90 Maintenance

Our Chapter 90 Maintenance contract amounted to $2400.00. The State Engineers asked us to put our entire funds into resurfacing. An armor coat, consisting of pea stone rolled into the hot asphalt, was placed on portions of Marble Street, Elm Street, and Maple Street. For every dollar raised by the Town for work on our Chapter 90 roads, we have three dollars to work with, as the State and the County will each give us a dollar to match it.

Chapter 90 Construction

The contract job on Spring Street from East Street to the Wakefield line was finished by the Contractor, O. Menici, early in the summer. This wonderful improvement over the old, rough surface has brought forth many favorable comments from the people using this road to get to and from their jobs.

The Chapter 90 construction work on William Street was finally approved in the late fall. Town forces constructed all the catch basins and laid all the drainage pipes called for in the specifications in order to construct the road from Main Street to Christine Avenue as called for under the contract. After starting the job, the specifications were changed so that we must now excavate and remove the old road surface. This work will be started in the early spring of 1951.

Street Construction

The following streets accepted as Public Town Ways by the voters at Town Meeting were constructed by the department:

Calthea Street—945 feet westerly from Washington Street.

DeWitt Road—714 feet northerly from William Street.

Penny Lane—853 feet southerly from Elm Street.

Seward Road—690 feet from Sherman Rd. to Broadway.

West Street—270 feet southerly from Lindenwood Road.

Each street has a road surface of hot top 2½" thick and a gravel base 12" thick.

The abuttors pay the entire cost of the road surface, ½ the cost of the sidewalk and ½ the cost of the curbstone.

Construction work on Magnolia Terrace leading to the new Robin Hood School was started in the late fall. The gravel base has been placed but the work of laying the hot top surface has been deferred until the spring of 1951.

Sewer Maintenance

We must keep in perfect working order at all times the sewer pumping station on Elm Street and the pumping station on Upland Rd. in order to protect the health of our citizens. One

man averages six hours per week maintaining these stations and grounds. One large electric motor at the Upland Road Station had to be removed and repaired. Electric current and fuel oil was purchased to keep the stations in operation. The department maintains, free of charge, the 2,395 house services now in use, from the sewer main to the front wall of the house. The department also maintains about 29 miles of sewer mains. These must be cleaned at least once a year and some of the older sections with flat grades must be looked after monthly. Some of our sewers were constructed in 1896 and roots getting into the pipes block the flow of the sewerage. Sewer cleaning rods and tools must be purchased to maintain the sewer system.

Sewer Services

105 new services were installed in 1950 bringing the total number of services now in use to 2,395. The amount of money spent under this appropriation varies directly as the demand for new services. The money raised under this appropriation is returned to the Town almost 100% as the home owner pays the entire cost of the service from the sewer main to the house.

Sewer Construction

The following 11 extensions were constructed during the season:

Avalon Road — 61′ of 10″ V. C.
Christine Road — 630′ of 8″ V. C.
Gerald Road — 200′ of 8″ V. C.
Girard Road — 720′ of 8″ V. C.
Irving Street — 200′ of 6″ V. C.
Jefts Terrace — 164′ of 6″ V. C.
Kays Road — 570′ of 8″ V. C.
Kays Road Easement — 192′ of 6″ V. C.
Magnolia Terrace — 546′ of 10″ V. C.
Richardson's Lane — 508′ of 10″ V. C.
Victoria Lane — 563′ of 8″ V. C.

These extensions were constructed under the laws relating to the assessment of betterments. The Town paid 1/3 of the cost and the abuttors on each side of the street paid 1/3.

Highways

All streets of the Town were swept and the gutters cleaned of debris in the Spring. A power sweeper was hired again this year to keep the use of hand labor to a minimum.

We employ a man full time to keep the center of the Town, the section around the churches and the section in front of Town Hall as neat and clean as possible. This man has done an excellent job and we have received a number of compliments from the merchants concerning his work.

29,435 gallons of asphalt and 12,409 gallons of tar were used by the Department in surface treatment work. 28 streets were surface treated in whole or in part, for a total length of 25,826 feet, or 4.89 miles. The area treated was 55,683 square yards. The following streets received a mixed-in-place job:

Stevens Street — Franklin to Gould.
North Street — Forrest Street to the Woburn Line.
Oak Street — Elm Street to Royal Street.

Elm Street — Main Street to William Street.

360 tons of patch was used to keep the accepted streets of the Town free from pot holes that developed in the tarred surfaces.

Drainage

We cleaned all the catch basins in our system at least once during the year and some at the foot of hills were cleaned several times. Culverts received a periodic cleaning and the screens over the mouths of culverts and large pipes were inspected after every heavy rainstorm.

The following drains voted at Town Meeting were completed:

The Winthrop St. Drain voted at the Oct. 17, 1949 Town Meeting was completed as follows:

287.6 feet of 18" Con. Pipe.
459.2 feet of 12" Con. Pipe.
7 Catch Basins.
6 Manholes.

Avalon Road Drain — Article 14 of 1950:

151.2 feet of 36" Reinforced Concrete Pipe.
1 Manhole.
1 Head Wall.

Factory Brook drain job from Collincote St. to Waverly St. was completed after the legal difficulties concerning the easement were cleaned up. (Article 74 of 1949)

132.8 feet of 30" Reinforced Concrete Pipe.
10.5 feet of 12" Concrete Pipe.
1 Manhole.

Laid in 1949:

136.3 feet of 30" Reinforced Concrete Pipe.
1 Manhole.

Franklin St. — Brook running to Meetinghouse Swamp (Article 21 of 1950):

1 Headwall.
75.5 feet of 36" Reinforced Concrete Pipe.
2 Manholes.

Ashes and Rubbish

The hours spent on ash and rubbish collections increased again this year. The expansion of the districts into the outlying portions of the Town, the great increase in the number of new homes, and the very large increase in the amount of waste paper collected due to the fact that few householders have purchased incinerators since the war, has made it necessary for us to have a second truck on the job two days each week. 41 collections were made during the year. There were 2,443 truck hours and 10,745 man hours spent making these collections, or an average of 59.6 truck hours and 262¾ man hours per collection.

The department also maintains the town dump on Spring Lane. A man is employed full time to keep the dump in order and control fires. A bulldozer is sent to the dump each week to push the debris over the edge of the dumping area and to keep it as level as possible. This averages about six hours per week.

Street Signs and Beacons

The department received many requests for new street signs

and traffic signs during the year. We took care of as many of these requests as the money available would allow. It is a continuous job repairing, painting or replacing more than 450 street signs, traffic signs and sign posts. Traffic lines were painted twice during the year as well as the bus stops, taxi stalls, and stop lines. The school children signs were painted as often as was necessary. The department also maintains the 32 traffic light standards and flashing beacons; repairing, repainting, and replacing bulbs that have burnt out. We hire an electrician to inspect the traffic control mechanism once each week. We also maintain the traffic booth in the square and the booth for bus passengers on North Main Street opposite Collincote Street.

Guard Rails

We have 82 sections of guard rails that must be inspected and repaired every year. Old posts and weak top rails must be replaced, fences strengthened and painted. A variety of repairs must be made as we have three types of guard rail; wooden fence, cyclone fence, and cable.

Road Machinery

The department maintains 17 trucks of all kinds, 2 wheel tractors, 5 crawler tractors, a motor grader, a power shovel, a bucket and snow loader, 2 compressors, and 23 pieces of miscellaneous power driven equipment with one full time mechanic and a part time helper, used mostly for greasing and changing oil. We have been able to maintain a very good record over the years in regards to break-downs and failures because we hold a rigid monthly schedule for greasing and changing oil in the equipment. A new E Q X Mack Dump Truck, equipped with a four yard body and a new snow plow, was added to the fleet in May. Motors were rebuilt in the 1928 Mack, the 1946 Ford pick-up and the 1946 Ford water truck.

Sidewalk Maintenance

Gravel, stone dust, tar concrete, hot top, and granolithic sidewalks on all the accepted streets of the Town are maintained under this appropriation. We must also maintain in a safe condition all the granite, cement concrete, and hot-top edgestones throughout the town. We can only make a dent in the numerous requests we get during the course of the year for sidewalk repairs with the limited funds we have to work with for this purpose. We are asking for another sum of money in 1951 under a special article calling for Tar Sidewalk Repairs. If passed, it will be a great help to us in furthering this type of work. Considerable money was spent last year cutting into existing sidewalks and removing existing curbs in order to provide hot top driveway ramps for new houses constructed on public town ways.

Engineering

Considerable time was spent on the Calthea Street Veterans' Housing Project laying out, constructing and taking record ties to the water and sewer mains and services. Later in the Spring, the street grades were set for building the road, sidewalks and edgestones.

Plans were drawn up for the construction of the following streets:

DeWitt Road.
Penny Lane.
Seward Road.
Magnolia Terrace.
West Street.

Road grades were also given for street construction.

Sewer assessment plans and sewer record plans were drawn up for the eleven sewer extensions. Record plans for each new sewer service were also made.

Plans were drawn up showing ties to the water service gate boxes of each new house and many of the older houses with revised ties. Plans were also made for a record of the water mains constructed during the year.

A number of street numbering plans were made at the request of the Board of Selectmen.

Estimates were made for various types of construction during the year.

All engineering done under the Public Works Department is done by our own engineering force.

Snow and Ice

Our records show a total of 35½" of snow for the 1949-1950 season. Snow fell on 17 occasions. The heaviest storm was 5". Snow fences were erected and sand boxes put out at the beginning of the season and taken in and repainted at the end of the season. As usual, considerable labor was spent keeping the plows and plow frames in good repair. Our experience indicates that we have much more wear on plow blades plowing for light storms than we do for heavy snow falls. We had very good results using rock salt on Main Street and the Chapter 90 roads. This method gives clear roads on the heavily traveled roads, but on the side streets where there is little traffic, we observed that the results do not justify the expenditure. We again continued our practice of delivering sand to home owners one day of each week if the owner requested it.

Sidewalk and Edgestone Construction

Under this appropriation the home owner pays ½ the cost of the sidewalk and edgestone construction, and the Town pays ½. Each year we have a list of applications of either one type of construction or the other, or both, and we do as much of this work as we can with the funds available. At the present time there is a list of 34 applicants for the 1951 season. We hope that money will be made available so that we may continue this work.

Tar Sidewalks

$2500.00 was appropriated under a special article at Town Meeting for the repair of existing tar sidewalks. Walks were repaired on Benton, Isabella, Congress, Everett, Park, Washington, Harrison, Gerry, Main, Hancock Streets, totaling 2158 lineal feet of walk or 1260 square yards. Miles of this work must be done to make our sidewalks safe for pedestrians and it is hoped that the voters will appropriate an additional sum of money so that we may continue this work in 1951.

Water Maintenance

5 hydrants were installed in various locations at the request of the Fire Department and 9 hydrants were installed under Water Construction, which brings the total number of hydrants in service to 306.

The estimated totals of water mains now in service are as follows:

Size	*Miles*
4"	3.21
6"	21.99
8"	11.24
10"	2.62
12"	3.65
16"	0.75
20"	0.93
Total Miles	44.39

Several water main breaks were repaired during the course of the year. All hydrants were checked for operating condition. In cold weather all hydrants used by the Fire Department were pumped out after each fire to prevent freezing.

A water pressure test was conducted for the Insurance Underwriters under the supervision of Weston & Sampson. Work was continued on meter repairing and testing. This work is of great value as 55 meters were found not working. 22 service leaks were repaired during the course of the year. We had the usual number of service calls during the year many of them on Sundays and Holidays caused by home owners attempting to make their own plumbing repairs. This service is maintained 24 hours a day, seven days a week. Some members of the Department must be on call at all times.

Water Services

143 new water services were added to the system in 1950 and 76 services were relaid. The Department continued the practice of using copper tubing for service pipes wherever possible. We now have 3,196 water services and 3,252 meters in active service as of January 1, 1951. About 60% of the money raised under Water Service is returned to the Town as the home owner pays for the entire cost of the work done on his property and the Town absorbs the cost from the main to the property line.

Water Construction

The following water mains were laid by the men of the water department in 1950:

Avalon Road — 45' of 8" C. I.
Bear Hill Road — 244' of 8" C. I.
Birch Street — 164' of 8" C. I.
Calthea Street — 2 hydrants.
Christine Avenue — 726' of 6" C. I. and 1 Hydrant.
DeWitt Road — 65' of 6" C. I.
Elm Street — 180' of 12" C. I.
Gerald Road — 204' of 6" C. I.
Girard Road — 665' of 12" C. I. and 1 hydrant.

Irving Street — 175′ of 2″ C. I.
Jefts Terrace — 168′ of 2″ C. I.
Kays Road — 600′ of 8″ C. I.
Magnolia Terrace — 536′ of 8″ C. I.
129 Main Street — —517′ of 2″ C. I. and 12′ of 6″.
Newcomb Road — 315′ of 2″.
New England Sanitarium — 380′ of 8″ and 1 hydrant; also 1 hydrant reset.
North Street — 127′ of 8″.
Victoria Lane — 540′ of 8″ and 1 hydrant.
West Street — 32′ of 6″.
William Street — 12′ of 12″ and 1 hydrant.

This report is made up from the records of the former Superintendent Albert E. Casey. The department changed superintendents as of October 1, 1950.

I wish to thank the Board of Selectmen for their helpful cooperation in this new assignment and assure the tax payers of Stoneham that the personnel of this department is of the highest type of loyal and honest workers.

Respectfully submitted,

ROBERT B. MacKENNA,
Superintendent of Public Works.

Report of Police Department

To the Honorable Board of Selectmen:

Gentlemen: I hereby submit, as Captain of Police for the Town of Stoneham, the following report for the year ending December 31, 1950.

The regular members of the Police Department are: Captain J. Clarence Nelson, Lieutenant William H. O'Toole, Sergeants Dennis L. McKinnon, Andrew J. Tuney and Robert H. Bradley, Patrolmen George J. McDonough, George N. Savard, Warren H. Barnes, John G. McHale, Walter R. Burns, Bernard C. Vacon, Andrew J. Tuney, Jr., Edward F. Geary, George R. O'Brien, Fabian S. Koprek, Paul C. Ewing and Robert D. O'Melia.

Reserve Officers

Robert W. Burns, appointed November 17, 1949.
George C. MacDonald, Jr., appointed November 14, 1950.
William F. McNulty, Jr., appointed November 14, 1950.
Domenic A. Lucci, appointed November 27, 1950.

Temporary Officers

Winfred A. MacDonald, from May 13, 1950 to October 4, 1950.
Kurt E. Dexter, from January 29, 1950 to November 20, 1950.
William F. McNulty, Jr., from June 24, 1950 to October 4, 1950.

Robert D. O'Melia was appointed a Permanent Officer on January 15, 1950 and on November 18, 1950 was granted a military leave of absence to join the U. S. Army.

The demands upon the department for special services in the interests of the citizens are constantly increasing. The Stoneham Police Department is a community service as well as a law en-

forcement agency. It is the guardian of your property and welfare.

When law breakers infringe upon your security, it is the department's main function to provide protection of life and property and to apprehend the criminal. Equally important too, is the obligation and desire of the Police Department to continue its work in the prevention of crime.

Recommendations

I recommend that a 40 hour week for the Police Department be adopted as soon as a sufficient number of men are added to the force to make it possible.

I recommend that Article Six, Section One of the Town Traffic Rules and Orders be amended to read, "Central Street in a northerly direction from Central Square to Emerson Street."

I recommend that a survey be made by the Board of Selectmen and the Eastern Mass. Street Railway with a view toward relocating the bus stops on Main Street.

I recommend that parking meters be installed in the business districts.

I recommend that "No Parking" signs be placed on the westerly side of Central Street from No. 50 to No. 84.

I recommend "No Parking" signs be placed on the easterly side of Warren Street from Maple Street to Hancock Street.

I recommend "No Parking" signs be placed on the southerly side of Hancock Street from Warren Street to Spencer Street.

I recommend "No Parking" signs be placed on the northerly side of Common Street from Pine Street to Main Street.

I recommend "No Parking" signs be placed on the southerly side of Pleasant Street from William Street to Main Street.

Each year the volume of traffic passing through Stoneham is increasing, and in order to facilitate the movement of this traffic I make the following recommendations:

(a) I recommend that a study be made, by an appointed committee, concerning the advisability of establishing a terminal for the use of all buses and taxicabs.

(b) I recommend that a request be made to the State Department of Public Works for a survey regarding the advisability of installing traffic signals at the intersection of Main and Hancock Streets, and also at the intersection of Main and William Streets, both installations to be equipped with pedestrian push buttons.

(c) I recommend that Maple Street be made a One-Way Street from Main Street to Wright Street with all traffic to flow in a westerly direction.

(d) I recommend that North Street (west of Main Street) be made a One-Way Street from Main Street to George Street with all traffic to flow in a westerly direction.

During this year the department received a replacement of new equipment: Link Radio FM; 1 Ford Sedan cruising car and a Harley-Davidson Motorcycle equipped with two-way radio.

The Captain of Police desires at this time to express his ap-

preciation for the co-operation extended to him by the various Town Departments and the citizens of the Town.

Respectfully submitted,

J. CLARENCE NELSON

Captain of Police & Lockup Keeper

Report of the Fire Department

To the Honorable Board of Selectmen:

Gentlemen:—The following report of the Fire Department for the year 1950 is respectfully submitted.

The department answered 400 alarms in the past year of which 110 were bell alarms (9 of which were false alarms) and 290 still alarms. The total fire loss for the year amounted to $13,640.50, of this amount $8,987.37 was covered by insurance.

There were used at fires during the year 12,250 feet of 2½ inch hose, 9,800 feet of 1½ inch hose, 27,300 feet of booster line hose, 1,741 feet of ladders, 13 soda and acid extinguishers and 95 pounds of C.O.2 extinguishers.

During the year there were 127 complaints received which were investigated by the department, some of these with the co-operation of the State Fire Marshal's office and our local Building and Wire Inspector.

There have been 346 oil burner inspections, 46 Liquified Petroleum Gas inspections and 32 inspections made in the retail business district of the Town during the past year.

Regular inspections have been made of all Nursing Homes, Homes for the Aged and the New England Sanitarium and Hospital.

Fire drills were conducted by the department at regular intervals in all the public and private schools during the year.

The department answered seven emergency calls with our combination Inhalator, Aspirator, and Resuscitator and used this apparatus with very creditable results.

During the month of April the Board of Selectmen appointed one of its members, Edwin H. Lombard, as Supervisor of the Fire Department. He has acted as representative of the Board in dealing with the problems of the department and this arrangement has worked out most satisfactorily in the interest of the department and the Town. Mr. Lombard has been most cooperative with the department and I take this opportunity to express to him my sincere thanks and appreciation.

William Meegan was promoted from the call force to the permanent department to fill the vacancy caused by the retirement of Deputy Chief Richard R. Ervin who retired in October after having served the Department and the Town faithfully and conscientiously for the past forty years.

The motor equipment is in good condition and consists of a 750 gallon Seagrave pumping engine, a 600 gallon Seagrave pumping engine, a 200 gallon pumping engine equipped with a 200 gallon booster tank, two 300 foot booster line reels and 1800 feet of 1½ inch hose, a 65 foot Seagrave Junior Aerial ladder truck, a Nash chief's car and a Ford service truck for fire alarm use.

Engine 2 is a 600 gallon pumping engine purchased in 1931 and while this piece of equipment is in good condition at the present time, consideration should be given to replace this unit.

During the past year the Town voted to install two-way radio in the Chief's car and a remote control unit in the fire station, to operate in conjunction with the Police Department. This equipment is being installed at the present time and I recommend that two-way radio be installed in Engine 4 and Engine 3 as this equipment can be of valuable assistance to the efficient operation of the department, and to the Civil Defense program which is a vital necessity today.

The fire alarm system is in good condition and during the past year three new boxes have been installed and the mutual aid hookup with Reading has been completed. The system must be extended and I recommend that ten new boxes be added to take care of the current unprotected, and new developed areas in the Town.

Again I wish to call to the attention of your Board and the citizens of the town the need of additional permanent men in the Department. At the present time we have six permanent men on duty, four of whom must operate the apparatus, which leaves but two men for immediate work at the scene of a fire. During the vacation period we have but four men on a shift, which only provides operators for the apparatus. With the town growing as it is, and with additional property being developed, it is imperative that serious consideration be given to increasing the permanent personnel of the Department.

Under present manpower conditions we are not in a position to do the necessary inspection and fire prevention work that our Department should be doing in the proper interest of safety and loss prevention. This is of vital importance to our citizens and property owners.

At the present time the Department has various pieces of first aid and emergency life-saving equipment which we are compelled to spread out among the various trucks due to lack of space on any one piece of apparatus, which of course does not permit efficient operation of the equipment. Therefore, as time and efficiency are always most important, I strongly urge that serious consideration, on many occasions, leaves the Town without protection, paras to enable the carrying of all this equipment on one piece of apparatus.

In view of the rapid growth of our Town, it is becoming increasingly important that the citizens give serious consideration

to acquiring a site for an additional station in the northern part of the town. At the present time it is absolutely necessary that all apparatus answer all alarms (with the exception of a few line boxes which are answered by mutual aid agreement). This situation, on many occasions, leave the Town without protection, particularly in cases where the Department is called to a point some distance from the station, or in cases where all apparatus is needed at the scene of a fire.

Due to the fact that in the near future it will be definitely necessary for our department to expand its operating facilities in order to give the town the proper protection which it should have, plus the fact that available land for future erection of a station is becoming increasingly scarce, I earnestly urge your Board and the townspeople to take the proper steps to acquire a parcel of land for future necessary expansion.

In concluding this report, I wish to express my thanks and appreciation to all of the town officials, department heads, the officers and members of the Fire Department, and the citizens of the town, for their cooperation and assistance during the past year.

Respectfully submitted,

WILLIAM E. CROSBY, Chief of Fire Department.

Report of Board of Retirement

(Contributory Retirement System)

To the Honorable Board of Selectmen:

Following is the fourteenth Annual Report of this Board:

To the membership as of December 31, 1949, totaling			241
Have been added new members numbering			41
Also re-instated member			1
			283
Deductions from Membership:			
By withdrawal	40		
By transfer to other systems	2		
			42
Making the present membership			241

This total membership of 241 is classified as follows:

Group A:			
Active	165		
Inactive	10		
		175	
Group B:			
Active	44		
Inactive	1		
		45	
Pensioners		21	
			241

Although the total membership shown is the same as in 1949, the number of members added and those withdrawn reflects an extensive turnover in employment, with a prospect of further changes ahead in view of the call for the younger men into the Armed Service of our Country. The positions of all employees, who enlist or are called, are protected by Statute and are classi-

fied as "leave of absence"; and their accounts in this System are protected likewise.

Our number of employees with Military Service Credit has been increased to fourteen, as one was called but returned within a few months, having served previously during World War II.

Five members are employed in both Groups but counted only once in membership.

One member of Group A was pensioned this year.

Amendments to our Retirement Laws have been enacted during 1950 which if accepted by the Town at the Annual Town Meeting will extend new benefits to certain of our pensioned employees.

We again refer to the Balance Sheet of this Department, which now totals over $157,000.00; and to the Annuity Savings Fund of $88,421.05, which represents the accounts of those employees who are included in this System.

The term of Mr. Stanley D. Wood (representative of the Board of Selectmen to this Board) terminated June 30, 1950. Mr. Wood was re-appointed by the Board of Selectmen for a term of three years ending June 30, 1954, and was re-elected by this Board to again serve as its Chairman.

Statement of Accounts

January 1, 1950 to December 31, 1950

Respectfully submitted,

STANLEY D. WOOD, Chairman,
WINTHROP A. McCARTHY,
HAZEL Y. SIMPSON,
Board of Retirement.
ANNA H. MOREY, Secretary.

Report of Stoneham Housing Authority

Board of Selectmen, Stoneham, Mass.

Herewith is submitted the second annual report of the Stoneham Housing Authority as required by Section 264 of the Housing Authority Law (Chapter 121 of the General Laws).

The Stoneham Housing Authority came into being as a body politic and corporate entity on March 22, 1948, by a unanimous vote at Town Meeting.

The annual organization meeting of the Stoneham Housing

Authority hereafter called the "Authority" was held in Room 2, Town Hall, Stoneham on Wednesday, March 8, 1950, at 8 o'clock P.M. The Authority organized as follows:

J. Herbert Blinn, Chairman.

Edward F. McNevin, Vice Chairman.

Arthur P. Combs, Jr., Treasurer.

Robert V. Brooks, Secretary.

Attorney John E. Finnegan, Executive Director and Counsel.

At the annual Town election in March 1950, Edward F. McNevin was elected for a five year term on the Authority.

The first project of forty-eight units at Calthea and Washington Streets was completed and fully occupied June 1, 1950.

During the selection of tenants for the first project it became apparent to the Authority that forty-eight units was not adequate to care for the amount of cases in dire need among the better than 150 applications.

Having this in mind the Authority requested $250,000.00 more in 1949 for additional units. After investigation of the need in Stoneham the State Housing Board approved the request of the Stoneham Authority and allotted $319,000.00 funds to the local Authority for twenty-four additional units.

This project was advertised and twenty bids received. The Authority with the approval of the State Housing Board awarded the contract to the Jefferson Contracting Company of First Street, Cambridge, Massachusetts, the lowest bidder, in the amount of $281,780.00.

Work has been started on this project known as 200-2 at the corner of Washington Avenue and Prospect Street and it is hoped the project will be completed by May 1, 1951, and immediately occupied.

All applicants will be again screened and other necessary investigation made to facilitate selection of the neediest cases.

The authority again retained the firm of Drummey-Duffill Inc., Little Building, Boston, Massachusetts as Architects for the new project.

All tenants in the present project as well as the new project will be supplied with an electric range and electric refrigerator. Each tenant has an individual water and electric meter with separate apartments.

The salary limits as to eligibility for entrance, as set by the State Housing Board, is $3250.00 for persons with less than three minor children and $3500.00 for those having three or more minor children.

The first project contains (28) twenty-eight two bedroom and (20) twenty three bedroom apartments. The new project will contain (14) fourteen two bedroom and (10) ten three bedroom apartments.

There are still (150) one hundred fifty applications for apartments in our files.

Management and supervision of the Projects has been under the direction of John E. Finnegan for whose conscientious and able administration the Authority is most grateful. The Authority also is grateful to the State Housing Board, the Town Officials

and Newspapers who have been very co-operative and helpful to the Authority in its work.

The Authority has been most fortunate in receiving (72) units which represents great progress. However, the progress made does not represent an appreciable amount of labor and time, given by every member of the Authority. I am personally grateful to my co-workers comprising the Authority. Each has served and is serving without compensation and at a considerable sacrifice of his individual business activities. The abilities of each member are well suited to the varied phases of the Authority's program.

The Authority is also grateful for the co-operation received from the tenants and takes pride along with the tenants in the fact that the rental account has been closed out monthly with all rents paid.

We shall need and be thankful for the co-operation of legislative and administrative bodies of town and state. We also hope for the continuing confidence of Stoneham's citizens and their understanding of our many problems.

Respectfully submitted,

J. HERBERT BLINN,

Chairman of Stoneham Housing Authority.

Report of Tree Warden and Moth Superintendent

To the Honorable Board of Selectmen and Citizens of Stoneham:

I herewith submit my annual report as Tree Warden and Moth Superintendent for the year 1950:

This year in anticipation of the re-appearance of the Dutch Elm Disease, we devoted all the time possible during January, February and March to elm sanitation. When weather would not permit climbing, we removed the trunks of trees topped the previous season, prepared equipment for summer work or worked with the Public Works Department on snow removal.

In early April we applied a dormant spray to all elms within

five hundred feet of the locations where the Dutch Elm Disease had been discovered in 1949. This spray was a very heavy concentrate of a material known as Marlate and was applied in the hope of controlling the spread of the disease by beetles which might have picked up diseased spores from the infected trees the previous season and carried them to surrounding trees.

During April we applied 7,600 gallons of DDT as a roadside spray on wild cherry and other roadside growth for the control of gypsy moth and tent caterpillar.

We started our tree planting program about April 15th and continued well into the month of May. Of 131 street trees planted during this period, approximately 110 had been donated to the Town a year or two before by Mrs. Edith S. Jones and Mr. Chester and Miss Lois Rickey from their property on Steele Street. Again this year they donated about 300 trees which we removed to the nursery and will be used for future street planting.

Early in June we started our elm spray program for the year. This was continued through June and July and we applied 77,200 gallons of DDT Spray to the public and private elms throughout the town. On June 14th we discovered the first case of Dutch Elm Disease for the year 1950. This tree was on private property. On this date we started our first systematic survey of the elms for Dutch Elm Disease. This survey consisted of inspecting every elm in town, both public and private, taking specimens where there was a suspicion of the presence of Dutch Elm Disease, numbering and labeling the tree and sending the specimens to the University of Massachusetts for analysis and a report.

We made during the course of the year five such surveys and found out of 70 specimens sent to the University of Massachusetts, 54 cases of Dutch Elm Disease. These trees were promptly removed and destroyed to keep the disease from spreading to other healthy trees. Of the 54 cases of Dutch Elm Disease, only 11 were street trees.

We treated all roadside areas where poison ivy was to be found with a 2-4D Spray. We used 3,200 gallons of this material for poison ivy work and a small amount of brush control.

The balance of the year was devoted to elm trimming and such necessary work on maples as removal of lower branches for street and sidewalk clearance. Throughout the year, from time to time, we topped trees which because of their location or condition were undesirable and where practical left the stumps for winter removal. We topped 175 trees during the year.

Respectfully submitted,

PERCIVAL H. WARDWELL

Tree Warden - Moth Superintendent

Report of Sealer of Weights and Measures

To the Honorable Board of Selectmen:

Gentlemen:—I submit the annual report of the Sealer of Weights and Measures Department for the year ending December 31, 1950.

There have been many new installations of weighing and measuring devices in town during the past year; especially new gasoline and oil meters. This has brought the dealers equipment

in town up to an unusually high standard and all in good condition.

One complaint of shortage has been received and a satisfactory adjustment made with all concerned.

Fees to the amount of $143.10 have been collected and turned over to the Town Treasurer.

A summary of the work performed is attached.

Respectfully submitted,

J. A. FORBES, Sealer of Weights and Measures.

Summary of Work

Weighing or Measuring Device	Adjust.	Sealed	Cond.
Scales over 10,000 lbs.		4	
Scales 5,000 to 10,000 lbs.	1	1	
Scales 100 to 5,000 lbs.	1	8	
Scales under 100 lbs.	22	68	2
Weights	1	68	
Yard Sticks		6	
Liquid Measures—1 gal. or under		30	
Meters—Gasoline	9	45	
Meters—Oil	1	7	
Meters—Bulk Storage	1	2	
Grease Pumps		28	
Totals	36	267	2

Report of Inspector of Plumbing

To the Honorable Board of Selectmen:

The Annual Report of the Plumbing Inspector for the year ending December 31, 1950 is as follows:

Number of permits issued	281
Number of fixtures installed	1676
Oil Burner Storage Hot Water Heaters	6
Gas Storage Hot Water Heaters	30
Electric Storage Hot Water Heaters	40
30 Gallon Hot Water Tanks	20
Tankless Heaters	80
Water Closets	350
Lavatories	340
Bath Tubs	248
Sinks	230
Stall Showers	10
Urinals	20
Sink and Tray Combinations	7
Laundry Trays	80
Drip Sinks	8
Washing Machines	12
Dish Washing Machines	10
Garbage Disposal Units	5
Floor Drains	10
Sewer Connections	100
Septic Tanks	20
Cesspools	50

Respectfully submitted,

KENNETH G. SHAW

Inspector of Plumbing

REPORT OF TOWN ACCOUNTANT

Honorable Board of Selectmen
Town Hall, Stoneham, Massachusetts

Gentlemen: — Herewith is presented the report of the Town Accountant for the calendar year 1950 as set forth in the following schedules:

Balance sheet showing the financial condition of the Town of Stoneham on December 31, 1950.

Receipts for the year 1950.

Expenditures summarized for the year 1950.

Schedule of appropriation accounts and unexpended balances.

Analysis of Available Water Surplus, Road Machinery Fund, Sale of Lots and Graves Fund, Sale of Real Estate Fund, Reserve Fund, Overlay Surplus-Reserve Fund and Excess and Deficiency Account.

Schedule of Town Debt showing payments due each year, and including the borrowing capacity of the Town of Stoneham on January 1, 1951.

Balance Sheet of Deferred Revenue Accounts.

Analysis of Trust Funds and Contributory Retirement System, including balance sheets as of December 31, 1950.

In conclusion may I take this opportunity to thank all Town department heads and officers for their assistance and cooperation rendered during the past year.

Respectfully yours,
WINTHROP A. McCARTHY, Town Accountant.

TOWN WARRANT

To John Clarence Nelson or Stanley D. Wood, Constables of the Town of Stoneham, in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall

MONDAY, MARCH 5, 1951

at six o'clock in the morning to act on the following articles of this warrant:

Article 1. To choose the following officers:
One Moderator for one (1) year.
Five Selectmen for one (1) year.
One Assessor for three (3) years.
One member of the Board of Welfare for three (3) years.
Two members of the School Committee for three (3) years.
One member of the Board of Health for three (3) years.
One member of the Park Commission for three (3) years.
Two Trustees of the Public Library for three (3) years.
One Trustee of Lindenwood Cemetery for five (5) years.
Three Constables for one (1) year.
One Tree Warden for one (1) year.
One member of the Planning Board for five (5) years.
One member of the Planning Board for two (2) years.
One member of the Stoneham Housing Authority for five (5) years, and to act on the following question:

"Shall an act passed by the General Court in the year nineteen hundred and fifty-one entitled 'An Act Establishing a Town Manager Form of Government for the Town of Stoneham,' be accepted."

All on one (1) ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles, the meeting will be adjourned to meet at thirty minutes after seven o'clock in the evening of March 12, 1951.

Article 2. To choose all other necessary town officers for the year ensuing in such manner as the town shall determine.

Article 3. To hear the reports of town officers and committees and to act thereon and to choose committees.

Article 4. To see if the town will vote to fix the salaries of the several elective officers and boards of the town for the current year, or do anything in relation thereto.

Article 5. To see what action the town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Sewer Construction, Article 19 (1948)	$ 87.06
Butler Avenue Sewer, Article 24 (1948)	766.32
Joan Avenue Sewer, Article 25 (1948)	423.69
Lexington Street Sewer, Article 26 (1948)	553.63
Factory Brook Drain, Article 71 (1949)	.87
Street Construction, Article 11 (1949)	6,936.17

Article 6. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray town charges for the ensuing year.

Article 7. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1951, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.—(Board of Selectmen)

Article 8. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.—(Board of Selectmen)

Article 9. To see if the Town will vote to pay the rent of quarters or lease quarters for the use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall Post No. 620, Veterans of Foreign Wars, raise and appropriate money therefor, or do anything in relation thereto.—(Board of Selectmen)

Article 10. To see if the Town will vote to raise and appropriate a sum of money to pay the salaries of a Town Manager and other office personnel and other expense in connection with the administration of the said office, or do anything in relation thereto.—(Board of Selectmen)

Article 11. To see if the Town will vote to pipe a portion of Sweetwater Brook, so-called, from the entrance of Recreation Park westerly along Gerry Court and northerly parallel to the Boston and Maine Railroad right of way to the entrance of Recreation Park off Gould Street, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, authorize the Selectmen to obtain easements necessary therefor, or do anything in relation thereto.—(Fred E. Sweet and others)

Article 12. To see if the Town will vote to pipe a portion of Sweetwater Brook, so-called, through land now or formerly of Walter E. Fish, Jr., at the northerly end of Merrow Lane, so-called, a distance of 250 feet, more or less, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Walter E. Fish, Jr.)

Article 13. To see if the Town will vote to pipe a portion of Sweetwater Brook, so-called, a distance of 500 feet, more or less, starting at the westerly boundary line of land now or formerly of Davis and extending in a westerly direction to Oak Street, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Kathryn Flynn)

Article 14. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of laying or relaying storm sewers or drains within the limits of the Town, determine in what manner the said appropriation shall be raised, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Board of Selectmen)

Article 15. To see if the Town will vote to raise and appropriate by transfer from available funds, borrowing or otherwise, any sum or sums necessary for the maintenance of highways which have been constructed with State and County aid under the provisions of Chapter 90 of the General Laws, or do anything in relation thereto.—(Supt. of Public Works)

Article 16. To see if the Town will vote to raise and appropriate by transfer from available funds, borrowing, sale of notes, bonds or otherwise, any sum or sums necessary for the improvement of a public town way or ways, said money to be used in conjunction with any money which may be allotted by the State or County, or both, under the provisions of Chapter 90 of the General Laws for this purpose, or do anything in relation thereto.—(Supt. of Public Works)

Article 17. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen to issue and sell from time to time as occasion requires, town notes, bonds or other evidences of indebtedness, for the purpose of defraying the cost of laying and relaying water mains within the limits of the Town, or do anything in relation thereto.—(Board of Selectmen)

Article 18. To see if the Town will vote to appropriate money from the proceeds of the Water Loan voted under the previous article for the laying and relaying of water mains, or do anything in relation thereto.—(Board of Selectmen)

Article 19. To see if the Town will vote to accept as a public town way Cherry Avenue, so-called, as laid out by the Board of Survey, or do anything in relation thereto.—(Margaret LeBaron)

Article 20. To see if the Town will vote to pave, install edgestone and construct sidewalks in Cherry Avenue under the law relating to the assessment of betterments, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Margaret LeBaron)

Article 21. To see if the Town will vote to accept as a public town way, Myopia Road, so-called, from Governor Road to Sherwood Road, as laid out by the Board of Survey, or do anything in relation thereto.—(Norman W. Downes and others)

Article 22. To see if the Town will vote to pave, install edgestone and construct sidewalks in Myopia Road, from Governor Road to Sherwood Road, under the law relating to the assessment of betterments, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Norman W. Downes and others)

Article 23. To see if the Town will vote to accept as a public town way Myopia Road, so-called, from Sherwood Road to Oak Street, as laid out by the Board of Survey, or do anything in relation thereto.—(Charles E. Lynch and others)

Article 24. To see if the Town will vote to pave, install edgestone and construct sidewalks in Myopia Road, from Sherwood Road to Oak Street, under the law relating to the assessment of betterments, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Charles E. Lynch and others)

Article 25. To see if the Town will vote to accept as a public town way Weld Road, so-called, from Bonad Road, so-called, to Oak Street, or do anything in relation thereto.—(Robert Lowe and one other)

Article 26. To see if the Town will vote to pave, install edgestones and construct sidewalks in Weld Road, from Bonad Road, so-called, to Oak Street, under the law relating to the assessment of betterments, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Robert Lowe and one other)

Article 27. To see if the Town will vote to accept as a public town way Sherwood Road, so-called, from North Street to Myopia Road, as laid out by the Board of Survey, or do anything in relation thereto.—(Donald A. Macbeth and others)

Article 28. To see if the Town will vote to pave, install edgestones and construct sidewalks in Sherwood Road, from North Street to Myopia Road, under law relating to the assessment of betterments, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Donald A. Macbeth and others)

To see if the Town will vote to purchase equipment, materials and provide for any necessary expense in connection with civilian defense of the Town of Stoneham, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of bonds, notes or otherwise, the said appropriation to be used in conjunction with any funds to be allotted by the Commonwealth of Massachusetts or the Federal Government, or both, and authorize the Selectmen to have jurisdiction of the said appropriation, or do anything in relation thereto.—(Board of Selectmen)

Article 64. To see if the Town will vote to erect an honor roll of War Veterans of the Town of Stoneham who served in the Armed Forces of the United States during a time of war, determine the location of the said honor roll, raise and appropriate any sum or sums necessary therefor, by transfer from available funds or otherwise, or do anything in relation thereto.—(Board of Selectmen)

Article 65. To see if the Town will vote to accept a bequest under the will of the late Annie Bailey Trowbridge, in the amount of $200.00, said sum to be used for the care and maintenance of the Trowbridge lot in Lindenwood Cemetery and to be added to the fund already established for this purpose, or do anything in relation thereto.—(Board of Selectmen)

Article 66. To see if the Town will vote to accept a bequest under the will of the late Annie Bailey Trowbridge, in the amount of a three-fortieths (3/40) share of the residue of her estate, five hundred dollars ($500.00) of said amount to be added to the MacDonald Medal Fund already established in the Stoneham High School and the income from the remainder of the fund to be given to some deserving pupil of the Stoneham High School desirous of higher education, or do anything in relation thereto.—(Board of Selectmen)

Article 67. To see if the Town will vote to accept a bequest under the will of the late Annie Bailey Trowbridge, in the amount of three-fortieths (3/40) share of the residue of her estate, for the use of the Stoneham Public Library, the income to be devoted to the purchase of magazines and books, or do anything in relation thereto.—(Board of Selectmen)

Article 68. To see if the Town will vote to acquire by purchase, gift or right of eminent domain, or otherwise, title to a parcel of land now or formerly of the Bear Hill Associates and situated on the westerly side of High Street, containing 2,934 square feet, more or less, for highway purposes, raise and appropriate any sum or sums necessary therefor, by transfer from available funds, borrowing, sale of notes, bonds or otherwise, or do anything in relation thereto.—(Supt. of Public Works)

Article 69. To see if the Town will vote to sell to Guy M. Greene of Stoneham a certain parcel of land, located on the easterly side of High Street and being a portion of said High Street, containing 3,376 square feet, more or less, according to a plan of land by Martin J. Markham, C. E., dated January 10, 1951, determine the sale price of said land and authorize the Board of Selectmen to convey title of said land, pass any vote or votes, or do anything in relation thereto.—(Supt. of Public Works)

Article 70. To see if the Town will vote to authorize the Moderator to appoint a committee to dispose of any or all obsolete materials and equipment of town departments now on hand, or do anything in relation thereto.—(Board of Selectmen)

Article 71. To see if the Town will vote to raise and appropriate a sum of money for decorating certain streets within the Town during the Christmas season of 1951, or do anything in relation thereto.—(Board of Selectmen)

Article 72. To see if the Town will vote to accept the provisions of Chapter 149, Section 33A, of the General Laws, entitled "Five Day and Forty Hour Work Week for Employees of Certain Cities and Towns," or do anything in relation thereto.—(Board of Selectmen)

Article 73. To see if the Town will vote to accept the provisions of Chapter 820, Acts of 1950, entitled "An Act for an Increase in the Annual Amounts of Certain Pensions, Retirement Allowances, Annuities and Other Benefits Payable by the Commonwealth and its Political Subdivisions to certain Former Employees and Persons Claiming Under Them," or do anything in relation thereto.—(Board of Selectmen)

Article 74. To see if the Town will vote to accept the provisions of Chapter 783, Acts of 1950, entitled "An Act Making

Applicable Increases in Retirement Allowances to Those Persons Retired After January First, Nineteen Hundred and Forty-Six With a Minimum Allowance," or do anything in relation thereto. —(Board of Selectmen)

Article 75. To see if the Town will vote to accept the provisions of Chapter 538, Acts of 1950, entitled "An Act Providing that Cities and Towns May Make Temporary Minor Repairs on Private Ways Therein in Certain Cases," or do anything in relation thereto.—(Board of Selectmen)

Article 76. To see if the Town will vote to amend Article 1, Section 2, of the revised Zoning By-Law by adding the words "Convalescent homes" to Sub-Division 5 thereof, so the same shall read: School, Library, museum, telephone office, church, parish house or Sunday School building, and farm, stock farm, truck garden, nursery or greenhouse including salesrooms for the sale of natural products, raised in or upon any of them, and convalescent homes.—(Anna B. Thompson)

Article 77. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth the following described area adjacent thereto and bounded as follows: Southerly by Franklin Street 475 feet, easterly by land of Rotondi 200 feet, northerly by land of Rotondi 485 feet and westerly by land of Meegan 200 feet, of which 100 feet abuts the present Retail Business District, or do anything in relation thereto.—(Albert J. Rotondi, Johanna Meegan)

Article 78. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the General Business District as heretofore defined and set forth the following described area adjacent thereto and bounded as follows: Westerly by the present General Business District and land now or formerly of the Sunnyhurst Dairy, Inc., 140 feet, southerly by land now or formerly of Egan 50 feet, easterly by Central Street 140 feet, and northerly by land now or formerly of Beadsworth 50 feet.—(Sunnyhurst Dairy, Inc.)

Article 79. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the General Business District as heretofore defined and set forth the following described area adjacent thereto and bounded as follows: Easterly by Main Street 265 feet, more or less, from the northerly boundary of the present General Business District, northerly by land now or formerly of Wilcox 100 feet, more or less, westerly by land now or formerly of Talbot 240 feet, more or less, and southerly by land now or formerly of Tedds Inn, Inc., and the present General Business District 100 feet, more or less.—(Charles F. Sanborn)

Article 80. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District so as to include in the Retail Business District the following described area at the northeasterly junction of Main and North Streets, viz: Beginning at a point at the southwest corner of the premises at the junction of Main and North Streets; thence north by Main Street 143.48 feet, thence slightly west of north still by Main Street 235.41 feet to land now or formerly of Moses Frankel, said land being zoned as a Retail Business District, thence east

by land of said Moses Frankel 100 feet, thence slightly east of south, still by land of Moses Frankel 254.50 feet to a point, thence southerly stil. by land of Moses Frankel 115.48 feet, more or less, thence southwesterly by North Street 90.65 feet to a point and thence by a curved line forming the junction of North Street and Main Street in a general northwesterly direction 46.40 feet to the point of beginning.—(Frederick P. Hanford)

And you are directed to have one thousand copies of this warrant printed, and to serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before the said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twentieth day of February in the year one thousand nine hundred and fifty-one.

FRED A. SCHNEIDER,
JOHN E. FINNEGAN,
EDWIN H. LOMBARD,
PHILIP D. BURNHAM,
Selectmen of the Town of Stoneham.

A true copy, attest:
JOHN C. NELSON, Constable.
